

Water Distribution Operator

Permanent/Full Time

Salary Range: \$20.07 - \$24.08

Grade: I

The Town of Norfolk Department of Public Works Water Division is accepting applications for the position of Water Distribution Operator to assist with the daily operations of the water distribution system. Duties would include meter installation and reading, fire hydrant inspections, maintenance and repairs, gate valve exercising, water line location and marking, and semi annual system wide flushing program.

Requirements include a high school diploma or equivalent, 1D Full Drinking Water Operators Licenses issued by the Commonwealth of Massachusetts Division of Professional Licensure, one to three years experience in distribution system operations and maintenance, and a valid Class D Massachusetts driver's license.

A 1T Full, backflow device tester and cross connection surveyor certification, Class B CDL, hydraulics license, are desirable but not required. Ability to obtain these licenses will be required within the first year of employment.

Candidate will be required to work some weekends and nights on overtime to cover hydrant flushing, and to assist the DPW Highway Division during snow emergencies.

All interested candidates should send a letter of interest, resume and five professional references to Robert J. McGhee, Director of the Norfolk Department of Public Works, 33 Medway Branch, Norfolk, MA 02056. Should you have any questions please contact the department at 508-528-4990. All applications must be received no later than, Monday, September 29, 2014 at 1:00 pm. Norfolk is an Equal Opportunity/Affirmative Action Employer.
