ZONING BOARD OF APPEALS

TO: Bob McGhee, DPW Director

FROM: Zoning Board of Appeals (ZBA)

DATE: July 10, 2017

SUBJECT: Lawrence Street Bridge and Causeway

At their meetings regarding the proposed Abbyville 40B projects, much attention is directed toward the condition of the Lawrence Street bridge and the road in general.

Would you please provide the ZBA with an update as to discussions/actions that have been undertaken in this regard. Have any cost estimates been completed? Have grants been applied for? Information can be forwarded to Amy Brady, who will forward it to the board members.

The Board invites you to attend their next meeting, to be held Wednesday, August 2. Please let Amy know if you can attend. Thank you.
