

LIST OF WAIVERS

ABBEYVILLE COMMONS

As required under 760 CMR 56.05(2)(h), the following is a list of Waivers to “Local Requirements and Regulations,” including waivers from the Bylaws of the Town of Norfolk, Updated Through December 1, 2015, as amended (“General Bylaw”), the Town of Norfolk, Massachusetts Zoning Bylaws, with amendments through December 1, 2015, as amended, (Zoning Bylaw), the Rules and Regulations For Subdivision of Land and Site Plan Approval & Special Permit Rules and Regulations, as most recently amended through September 16, 2010, as amended, and other Local Requirements and Regulations as defined under Section 56.02 of the Chapter 40B Regulations, including all local legislative, regulatory, or other actions which are more restrictive than state requirements, if any, including local zoning and wetlands ordinances, subdivision and board of health rules, and other local bylaws, codes, and regulations, in each case which are in effect on the date of the Project’s application to the Board. In addition to the following list of requested Waivers listed below, the Applicant requests an exception from each and every provision or requirement of all Local Requirements and Regulations issued by a “Local Board” (defined under the Chapter 40B Regulations as meaning any local board or official, including, but not limited to any board of survey; board of health; planning board; conservation commission; historical commission; water, sewer, or other commission or district; fire, police, traffic, or other department; building inspector or similar official or board; board of selectmen, as well as all boards, regardless of their geographical jurisdiction or their source of authority [that is, including boards created by special acts of the legislature or by other legislative action] if such local board perform functions usually performed by locally created boards) with which any aspect of its Comprehensive Permit Application, including but not limited to its proposed site development plans and any other information hereinafter submitted to the Board, is inconsistent.

**Note that pursuant to 760 CMR 56.00 (the “Chapter 40B Rules”), and as specifically described under 760 CMR 56.05(7), “zoning waivers are required solely from the “as-of-right” requirements of the zoning district where the project site is located; there shall be no requirement to obtain waivers from the special permit requirements of the district.” Accordingly, any waivers which reference special permit requirements are included only for illustration purposes.
