ANNUAL TOWN REPORT

NORFOLK PUBLIC LIBRARY

In 1880 a group of citizens known as the Norfolk Library Association gave to the town about 200 volumes to establish the Norfolk Town Library.

For 12 years the library was on the first floor of the old Town Hall on Town Hill. It was open only from 7 to 9 on Saturday nights and on those same nights in the same room the Norfolk Brass Band rehearsed. It must have been a lively place.

In 1898 the library was moved to the Tower Room on the second floor of the remodeled Center School right next to the Federated Church. It stayed there until in 1919 the town appropriated \$350.00 to rent and furnish a room in the old Baptist Church. There it remained until the Grange bought the building and asked the library to move. In 1951 the present building was prepared for occupancy.

The records tend to prove that the present main library room was built in 1845 to serve as the North School on the south corner of Cleveland and Fruit streets. At this time and until 1870 Norfolk was part of the town of Wrentham and the North School was one of 18 school districts.

Shortly after 1900 a hook and ladder company was organized in Norfolk and they needed proper housing for their equipment. Someone had the idea of using the well-built, old North School. So it was taken down piece by piece, and re-erected in its present location. Large doors were installed so that horses could easily be harnessed to the equipment and moved quickly onto Main Street. It was used thus until 1926 when a new fire house was built further down Main Street, where our Town Hall stands today.

For a number of years the building was used for different town activities until in 1951 it once again became an educational institution as the home of the Norfolk Public Library.

In 1961 to provide for the growing collection, an addition of 600 square feet was added, and we have our present library facilities.

Each day people, young and old, enter this quaint old building in search of knowledge, and the tradition of a public library in Norfolk is 100 years old.

DEDICATION

This Annual Report Is Dedicated To The Employees Of The Town Of Norfolk

We are pleased to have this opportunity to express our sincere appreciation to each of you for your genuine interest and concern and your capable coordinated efforts on behalf of our Community.

Thank you for your dedicated service which is so evident in all of your endeavors. Each of you gives a full hour's work for an hour's pay and then just that little extra.

We salute you. We honor you. We thank you.

Norfolk Board of Selectmen

This lovely poem which depicts the sense of home that people feel when they see Town Hill was written by a gracious, lovely lady, Grace Bourque.
Her titles include Mother, Poet, Outstanding Person. She is held in deep affection by all who know her.

Town Hill—Norfolk

Little town growing
But retaining still, so much natural beauty
Of the past
And now progressing steadily
At long last
Modern roads
Yet shaded by old friendly trees
That bring a sense of peace, when passing through
A perfect blending of the old and new
The Old Town Hill
Is nestled where the crossroads meet
A peaceful setting for the eye to view
Its waist is girdled by a wall of stone
And wither residents of this small town shall roam
Be it ever so
They see the Hill, and know that they are home.
In years to come
While with the future progress of our town
Be we employed
Let not our progress cause the natural beauty of our
Town to be destroyed...

ANNUAL REPORT OF THE BOARD OF SELECTMEN

Most of the events included in this Report have had input from the employees of the Town of Norfolk who so ably serve the Community and its residents. It is with pleasure that this year's Town Report is dedicated to our work force including those who administer the different Departments. Norfolk is very fortunate to have a most dedicated group of Public Servants. Each person works his full day and then looks for ways to improve Norfolk by spending a little extra time on the job or by serving on a Committee or Study Group that is gathering information or providing service to the residents.

A sincere *Well Done!* to all who make the Town of Norfolk a special place to live.

Headlining The Events Of The Year

- The Feeley and Driscoll Audit of the Town books was accepted and approved by the Bureau of Accounts.
- The Engineering firm of Guerriere & Halnon was chosen to monitor the Earth Removal (Gravel) Operations in Town.
- Fire Chief James Cribby retired and Douglas Forsman was appointed Chief of the Fire Department.
- Arts Lottery Council appointed to determine programs that will benefit the promotion of the Arts in the Town.
- Downtown Revitalization Committee received a technical assistance grant to aid in revitalizing and beautifying the center of Town.
- Diane C. Powers reelected to the Board of Selectmen and returned by acclamation to the Chairmanship of the Board of Selectmen.
- Permanent Building Committee By-law incorporated into Town By-laws at the Annual Town Meeting.
- Norfolk Lions applied for and received a Beano License.
- Norfolk Board of Selectmen continued to battle the giants for better service to the residents...
 - Meeting with Postmaster Sullivan in Boston were Chairman of the Board of Selectmen, Diane C. Powers, Executive Secretary, Marilyn Morris, Senator Paul Tsongas liaison, and a representative from Representative Margaret Heckler's Office. At this meeting the Town requested better Postal Service and a restoration of our own Post Office and service.
 - Department of Public Utilities Hearing held at the Centennial School on the expensive, yet poor telephone service provided to our residents. (A full text of the Hearing is on file in our Office).

- MBTA Advisory Board member voted against State takeover of the system and the Town joined the suit to challenge takeover in the Courts.
- MBTA Advisory Board member on advice of the Board of Selectmen voted against an increase in revenue for the deficit-laden system forcing the Courts and finally the Legislature to resolve the problem more equitable for the Communities.

- Norfolk's Town Report won First Prize in the Statewide Contest.
- Innovative program was instituted to decrease the mosquito population in Town by natural predator method, i.e. dragonflies and minnows.
- Criteria for police candidate selection process initiated by Chief of Police and Board of Selectmen. This will be refined and eventually adopted for the Town.
- Park Street Bridge closed by Commonwealth. Public Hearing on problems involved conducted by Board of Selectmen and a request was made to the State for a reduced weight limit posting and a reopening of the bridge to automobile traffic only. The Board publicly thanked Representative Francis Woodward for all his help in this endeavor.
- Douglas Forsman resigned as Fire Chief to become Fire Chief in Champaign, Illinois. He has the Town's gratitude for restructuring and re-equipping the Fire Department during his short but fruitful tenure.
- Anthony "Chick" Granito was appointed Fire Chief. The fire management skills brought to the position by "Chick" will keep the Department moving in a positive direction for the future.
- Several parcels of land were acquired for the Town by our diligent Conservation Commission.
- William Coughlan resigned as Town Accountant after twenty-two years of service to the Community. Bill is a quiet, modest, unsung hero who has labored over every weekend to ensure the Town Accounts were properly and completely reviewed and in perfect order. Bill will be a difficult person to replace and we are not looking forward to the task. Thank you for staying on to aid in this endeavor, Bill.
- The Town's new well is completed and is on line.

Among the more mundane tasks undertaken by the Board this year, after several years of rather hit or miss operations, was the development of a procedure for Earth Removal Permits that provides for a strict time period for applications to be received as well as an oversight procedure on the actual operation conducted by the Engineering Firm of Guerriere & Halnon at no cost to the Town.

All Class I, II, III Licenses were reviewed and brought into conformity with the Statutes pertaining to Automobile Sales. A moratorium was declared on all future applications for Class III Licenses.

Taxi Regulations were adopted.

Two Public Hearings were held on Liquor License Applications, one being a transfer of an existing package store license to J's Warehouse Liquors, Inc., on Dedham Street and a new license issued to Sea Crest Restaurant, Inc., on Dedham Street.

The annual Appointment process continues to be time consuming and appointments to fill vacancies continue to be numerous. This year Norman Mullaney was elected to the Planning Board to fill a vacancy caused by David Burchfiel's resignation. An election by the Board of Selectmen and the remaining Library Trustees to replace Thelma Ravinski and Charles Byers who resigned brought Robert Boucher and Elizabeth Santandreu to the Library Trustee Board.

A thorough line by line review of all budgets under our control is conducted each year with this year's task more difficult than usual. We had to consider the budget controls mandated by the four percent tax cap and maintain and maximize the efficient Town services that have become a hallmark of the Town. Consideration of the backlog of paperwork of the Building Inspections and the Board of Health Inspections had to be addressed and a position of Board of Health/Inspectors' Clerk was created. This position has provided a much needed addition to the Town's services again at a minimal cost to the Community. Janet M. Prevett is ideally trained and qualified for the position. Here is a person who truly knows her job and has become a helpful addition to Town Hall.

In summary, it has been a busy year, much has been accomplished. Our sincere gratitude must also be extended to our many public spirited volunteers who so ably serve on the numerous Study Committees necessitated by today's complex Government. Our dedicated employees and our dedicated Committee members help to enhance the quality of life in Norfolk.

Diane C. Powers, *Chairman*

James A. Martin, III, *Clerk*

Alan A. Mackey, *Member*

REPORT OF TOWN COUNSEL

It has been my pleasure again in 1980 to serve as Town Counsel for the Town of Norfolk. In general, the most common legal questions have concerned land: acquisition or sale of land by the Town, easements, earth removal, Appeals Board matters, and Water Department questions.

In response to legal problems presented to me, I have researched and rendered 52 formal opinions, and have provided legal counsel on 57 new matters which have arisen during the year. It is the practice of this office to index all legal questions and cases, so that a history of each is readily available.

Let me take this opportunity to express my appreciation to the many Department Heads and Town Officials who have worked with me during the year.

Respectively submitted,

Paul D. Maggioni,

Town Counsel 11

PRESIDENTIAL PRIMARY ELECTION

March 4, 1980

The Polls were open from 7:00 a.m. to 8:00 p.m.
618 Republicans and 578 Democrats voted for a total of 1196.

The results are on file in the office of the Town Clerk.

Elinor H. Pearson
Town Clerk

STATE PRIMARY ELECTION

September 16, 1980

The polls were open from 7:00 a.m. to 8:00 p.m.
84 Republicans and 178 Democrats voted for a total of 262.

The results are on file in the office of the Town Clerk.

Elinor H. Pearson
Town Clerk

STATE ELECTION

November 4, 1980

The polls were open from 7:00 a.m. to 8:00 p.m.
2645 votes were cast plus 4 short ballots for President and Vice President.

The results are on file in the office of the Town Clerk.

Elinor H. Pearson
Town Clerk

RECORD OF ANNUAL TOWN MEETING

May 6, 1980

Pursuant to the Warrant for the Annual Town Meeting, the inhabitants of the Town of Norfolk qualified to vote in town affairs assembled in MacBride Auditorium at the Norfolk Public elementary school on Tuesday, May 6, 1980 to act upon Article 1, the Election of town officials.

Polls were opened by George Ulrich, Warden, at 7 a.m. The ballot box was found to be in good working order and registering zero. Instructions to voters and specimen ballots were posted at the entrance and within the polling place and a corrected voting list was on display.

The polls were declared closed at 8 p.m. The ballot box registered 994 with the following results:

QUESTION:

Shall the Town vote to accept the provisions of Chapter 258, section 13 of the General Laws which provides that the Town shall indemnify and save harmless municipal officers, elected or appointed, from personal financial loss and expense, including reasonable legal fees and costs, if any, in an amount not to exceed one million dollars, arising out of any claim, demand, suit or judgment by reason of any act or omission except an intentional violation of civil rights of any person under any law, if the official at the time of such act or omission was acting within the scope of his official duties or employment?

YES	657
NO	163

*Declared elected

VOTED to adjourn this meeting until Tuesday, May 20, 1980 at 7:30 p.m. at King Philip Junior High School.

ARTICLE 3. VOTED to fix the salaries of the several offices as follows: Moderator \$1.00; Selectmen \$3,200; Treasurer \$7,500; Town Clerk \$5,184; Tax Collector \$8,856; Assessors \$7,560; Board of Water Commissioners \$810; Planning Board \$2,000; Tree Warden \$200, and to authorize any Town Board to employ for additional salary or compensation any of its members and to fix such salary as compensation.

ARTICLE 4. VOTED to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning July 1, 1980, in accordance with the provisions of General Law, Chapter 44, section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Law, Chapter 44, Section 17.

ARTICLE 5. VOTED to grant the Board of Selectmen permission to sell surplus property of the Town, exclusive of buildings and land, that is no longer needed.

ARTICLE 6. VOTED to authorize the Board of Selectmen to advertise in a local paper and to sell at public sale from time to time as it may deem in the best interest of the Town, any and all lands or portions thereof which the Town has acquired or may acquire as Tax Title Land, so-called, such sales to be made in the name and in behalf of the inhabitants of the Town of Norfolk; and to authorize the Selectmen to expend from the proceeds of such sale the necessary costs of recording fees, documentary stamps and auctioneer's fees, if required.

ARTICLE 7. VOTED to authorize the Board of Selectmen to accept and enter into the contract for the expenditures of any funds allotted or to be allotted by the Commonwealth for the construction or reconstruction or the improvement of roads within the Town.

ARTICLE 8. VOTED the sum of \$33,296 be raised and appropriated of which \$8,324 is the Town's share and \$24,972 is the Commonwealth's share for construction of and/or improvements to roads within the Town.

ARTICLE 9. VOTED the sum of \$21,871 be raised and appropriated of which \$5,468 is the Town's share and \$16,403 is the Commonwealth's share for construction of and/or improvements to roads within the Town to be reimbursed by the Commonwealth under Chapter 480 of the Acts of 1979 or any other Chapter.

ARTICLE 10. DEFEATED motion to raise and appropriate \$10,000 to construct a Salt Storage Shed at the site of the Highway Garage.

ARTICLE 11. VOTED to indefinitely postpone this article. (\$894.27 plus interest to Nicholas Abraham)

VOTED to adjourn this meeting until May 22, 1980 at 7:30 p.m., same place.

Meeting adjourned 11 p.m.

MAY 22, 1980

ARTICLE 12. VOTED to raise and appropriate a sum equal to all monies received by the Library in payment of fines for overdue books and lost or damaged books in the Fiscal Year 1978/79, a sum of \$800.18 for the specific purpose of replacing and repairing existing library books.

ARTICLE 13. VOTED to indefinitely postpone this article. (Construction and equipping a new library)

ARTICLE 14. VOTED to indefinitely postpone this article. (Operational expenses of the Library Building Study Committee)

ARTICLE 15. VOTED to raise and appropriate \$15,000 for the purchase of a large diameter fire hose.

ARTICLE 16. VOTED to raise and appropriate \$22,000 to purchase a Brush Fire Fighting Truck. Counted vote: Yes, 382; No, 122.

ARTICLE 17. VOTED to indefinitely postpone this article. (purchase land adjoining Fire/Police Station).

ARTICLE 18. VOTED to amend Article III of the Town By-laws by adding the following section to be numbered in consecutive order at the end of Article III:

Section 14. A Committee be known as the Permanent Building Committee shall be established. Such committee shall consist of five members appointed by the Board of Selectmen.

In making original appointments, the Board shall appoint two members for a term of three years, two members for a term of two years, and one member for a term one year. Thereafter, before the close of the Annual Town Meeting, the Board shall appoint two members or one member, as may be required, for a term of three years to fill the places of such members whose terms have expired. No person shall be deemed ineligible to serve successive terms on such committee. The Board of Selectmen shall make interim appointments as required, to fill unexpired term of any member ceasing to serve.

The Permanent Building Committee shall consider the request of any department, Board, Town Officer or the Town Meeting for the construction, reconstruction or addition to town buildings and other park, recreation or school facilities, and report promptly each such request and the recommendation of the Committee to the Town Meeting.

The Permanent Building Committee, following Town Meeting approval and appropriation for any construction, reconstruction or addition to town buildings or facilities, may award such contracts in the name of the Town as may be necessary to accomplish the vote of the Town Meeting, and will have general supervision and review of construction and completion of any construction project for which the Town Meeting has made an appropriation.

ARTICLE 19. VOTED to indefinitely postpone this article. (Construction of an addition to Fire-Police Station)

ARTICLE 20. VOTED to accept the reports of the following committees and to reappoint the committees for the following year: Arts Lottery Council; Bay State Correctional Center/Citizens Advisory Committee; Computer Study Committee; Downtown Revitalization Committee; Fire/Police Study Committee; Insurance Study Committee; Library Building Study Committee; Personnel Study Committee; Sewer Study Committee; Sidewalk Study Committee; Tax Policy Committee; Zoning By-law Study Committee and Bi-Centennial Park Committee; and Pesticide Control Study Committee.

DEFEATED motion to appoint a committee of five to study and report back at the next annual Town Meeting on the feasibility and cost of building a Town Swimming Pool; the committee to consist of 1 member of the Recreation Commission, 1 member of the Conservation Commission and 3 members at large. Counted vote: Yes, 61; No, 76.

ARTICLE 21. VOTED to accept the Vocational School Study Committee's report and to place it on file and to disband the committee with a vote of thanks.

ARTICLE 22. VOTED to accept the report of the Sidewalk Committee and to place it on file.

ARTICLE 23. DEFEATED motion to raise and appropriate \$7,600 to construct a sidewalk on the easterly side of North Street for a distance of 950'. Counted vote: Yes, 67; No, 72.

ARTICLE 24. VOTED to indefinitely postpone this article. (To accept or purchase a grant of land to the Town from Diehl, Inc.)

ARTICLE 25. DEFEATED motion to raise and appropriate \$1500 to construct a windproof vestibule at the rear entrance to the Town Hall. Counted vote: Yes, 38; No, 83.

ARTICLE 26. VOTED to raise and appropriate a sum not to exceed \$2500 for a 20 year roof at the Town Hall.

ARTICLE 27. VOTED to raise and appropriate \$650 for repair of the roof on the former Highway Garage.

ARTICLE 28. VOTED to raise and appropriate \$16,385 to be held in an interest bearing account for the future use of reconstruction or replacement of the roof on the old section of the King Philip Regional High School.

ARTICLE 29. VOTED to indefinitely postpone this article. (To construct, reconstruct, replace or repair Little League dugouts.)

ARTICLE 30. VOTED to indefinitely postpone this article. (Purchase of beach sand for swimming area.)

ARTICLE 31. DEFEATED motion to raise and appropriate \$34,000 to purchase one Street Sweeper.

ARTICLE 32. VOTED to raise and appropriate a sum not to exceed \$14,000 for the purchase and replacement of two cruisers.

ARTICLE 33. VOTED to raise and appropriate a sum not to exceed \$4,000 for the purchase of an electro static copier for the Police Department.

ARTICLE 34. DEFEATED motion to raise and appropriate \$1,300 to lease 25 electronic voting machines.

VOTED to adjourn this meeting until Wednesday, May 28, 1980 at 7:30 p.m., same place. Counted vote: Yes, 76; No, 40.

Meeting adjourned 11 p.m.

MAY 28, 1980

Meeting opened by Frank J. Gross, Moderator. Mr. Gross thanked the Custodians, Robert Haddleton for the use of his microphones and Bob Haddleton who served as electrician.

DEFEATED motion to reconsider Article 2, section V, Salaries. Counted vote: Yes, 37; No, 45.

ARTICLE 35. DEFEATED motion to raise and appropriate \$2,400 to construct a sidewalk on the easterly side of Cleveland Street from Rockwood Road to Village Green, a distance of 480'. Counted vote: Yes, 69; No, 70.

ARTICLE 36. VOTED to raise and appropriate \$20,000 for the purpose of drilling and testing new well sites for future expansion of the Norfolk water system.

ARTICLE 37. VOTED UNANIMOUSLY to authorize the Board of Selectmen to petition the General Court for legislation exempting the Town from any assessment made to the Town based on construction, maintenance, operation and repair of Norfolk County Hospital, the authority of Chapter 111, Section 85 of the General Laws or any other general law or special act to the contrary notwithstanding.

ARTICLE 38. VOTED UNANIMOUSLY to authorize the Board of Selectmen to institute legal action only in conjunction with other towns of Norfolk County to obtain on behalf of the County fair reimbursement for the costs of Court operation and maintenance in Norfolk County, and to further advise the County Commissioners and legislative committees of the General Court of the Town's intent to pursue such reimbursement.

ARTICLE 39. DEFEATED motion to amend the Schedule of Dimensional Requirements contained in Section E, Intensity Regulations, paragraph 1(b). Counted vote: Yes, 81; No, 54. (2/3s needed)

ARTICLE 40. VOTED to amend Section D, paragraph 2 of the Zoning By-Law by:

1. Renumbering use numbered
23. Animal Hospital to
22a. Animal Hospital, and by

2. Deleting the word "Yes" in the column entitled "Industry" with respect to uses numbered 23, 26, 27, 29, 30 and inserting in place thereof the notation:
SP (as defined in Section D, paragraph 1a.).
3. Further deleting the word "and" in use 26 and inserting the word "or" in place thereof.
4. Further deleting the word "storage" in use 30 and inserting the word "garaging" in place thereof,
so that uses numbered 23, 26, 27, 29, 30 will read as follows:

	Residence	Business	Industry
23. Restaurants	No	Yes	SP
26. Filling station or garage	No	Yes	SP
27. Newspaper or job printing	No	Yes	SP
29. Office or bank	No	Yes	SP
30. Garaging of more than one commercial vehicle	No	Yes	SP

Counted vote: Yes, 113; No, 1.

ARTICLE 41. VOTED UNANIMOUSLY to amend Section F(4) of the Zoning By-Law by deleting the first sentence thereof and inserting in place thereof the following sentences: A non-conforming structure may be rebuilt, altered or enlarged only by permit issued by the Board of Appeals, except that any alteration or enlargement which does not violate the set-back, coverage or height requirements of Section E(1)(b) shall not require a Special Permit.

ARTICLE 42. VOTED to amend Article VIII, Section 5 of the Zoning By-Laws by adding the following new section (f).

- f. Subject to the exemptions provided by section 2 of this Article, no permit shall be issued for:
1. Portable signs, including signs attached to motor vehicles, trailers or other movable objects regularly or recurrently located for fixed display.
 2. Any sign containing any moving, flashing, intermittent or animated lights, except such portions of a sign as consists solely of indicators of time and/or temperature.
 3. Nothing in this section or this article shall be construed to require a permit for non-political, non-commercial, temporary signs less than two (2) square feet in area advertising home bake, yard or garage sales or temporary personal messages and announcements.

ARTICLE 43. VOTED to amend Article IV, Section 5 of the By-Laws by:

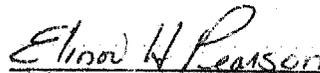

- a. Adding the following sentences at the end of sub-section C(8):
For operations within five hundred (500) feet of wetlands, the application shall include a statement of plans for the protection of any portion of an underground water source or supply, including without limitation to, springs, wells, underground reservoirs or aquifers.
- b. By striking sub-section F(2) and inserting the following amended sub-section F(2):
 2. Removal of earth from site:
 - a. Where a building is under construction pursuant to a building permit to the extent as may be necessary to install the foundation and basement of the building, provided such removal does not exceed four hundred (400) cubic yards in one (1) calendar year, or an amount equal to the volume of the foundation and basement of the building, whichever is the greater.
 - b. Where a road is under construction pursuant to a permit for a subdivision or tract of land, if such removal is not more than five hundred (500) cubic yards with respect to the whole tract in one (1) calendar year, or by government authority to the extent as may be necessary to complete the project as planned.
The regulations of this By-Law shall govern any such construction involving more than five hundred (500) cubic yards.
- c. By striking sub-section E(2) and inserting the following amended sub-section E(2):
 2. Applications for renewal of a permit expiring within a calendar year must be submitted on or before the thirty-first (31st) day of January of the year in which the existing permit expires. In such application, documents used for the original issuance of permit may be revised to show the conditions existing at the time of reapplication. Information thus required will be stated in section (c.) of the By-Law "Application for Special Permit.

CORRECTION

Page 16 of the 1980 Annual Town Report is corrected by deleting the word "Zoning" from the vote taken on Article 42 of the Annual Town Meeting, so that the line reads.

ARTICLE 42 VOTED to amend Article VIII
Section 5 of the By-laws by
adding the following new
Section (f)
(balance of Article 42 unchanged)

I certify that the foregoing vote taken on Article 42 of the 1980 Annual Town Meeting as stated above is correct according to my records.

Elinor Pearson
Town Clerk

d. By amending sub-section B(2) by the addition of the following sentence:

“New applications will be received only by the thirty-first (31st) day of January and by the first (1st) day of June of each year, unless granted a waiver by the Board of Selectmen for extraordinary circumstances.”

ARTICLE 44. VOTED to transfer the unexpended portion of the following appropriation made at a prior town meeting to unappropriated available funds in the treasury: Article 28 of the 1979 Annual Town Meeting, the balance of \$800 from the purchase of a brush chipper for the Sanitary Landfill.

ARTICLE 45. VOTED to indefinitely postpone this article. (Payment of previous year's bills)

ARTICLE 46. VOTED UNANIMOUSLY to raise and appropriate \$25,000 to add to the stabilization fund under the authority of Section 5B of Chapter 40 of the General Laws.

ARTICLE 47. VOTED UNANIMOUSLY to exempt \$130,000 of free cash from the provisions of section 12A of Chapter 151 of the Acts of 1979 and that such free cash not be utilized for the purpose of reducing the property tax levy for fiscal 1981.

ARTICLE 48. VOTED UNANIMOUSLY that this article be indefinitely postponed.

ARTICLE 49. VOTED to increase the appropriations limit established by Chapter 151 of the Acts of 1979 by \$153,000 so that the appropriations limit as so increased will be \$2,667,939.94. Counted vote: Yes, 130; No, 0.

ARTICLE 50. VOTED UNANIMOUSLY to increase the levy limit established by Chapter 151 of the Acts of 1979 by not more than \$110,000 so that the levy limits as so increased will not be more than \$2,720,650.92.

VOTED this meeting be dismissed.

Meeting dismissed 9:45 p.m.

Elinor H. Pearson
Town Clerk

MINUTES OF ADJOURNED ANNUAL TOWN MEETING

MAY 20, 21, 22 and 28, 1980

King Philip North School

GENERAL BY-LAW ADOPTED

October 16, 1979

Article IV, Section 5 (C) (11)

The Board of Selectmen shall be and is hereby authorized to determine the costs of any engineering fees incurred in the measurement of earth removal or to be removed under such permit. The engineering fees charged for each permit issued or renewed will be paid by the applicant.

January 21, 1980

Boston, Massachusetts

The foregoing amendment to the general by-laws adopted under Article 4 of the warrant at the Norfolk Special Town Meeting held October 16, 1979, is hereby approved.

FRANCIS X. BELLOTTI

Attorney General

GENERAL BY-LAWS ADOPTED

May 22, 1980

ARTICLE III, Section 14.

A committee to be known as the Permanent Building Committee shall be established. Such committee shall consist of five members appointed by the Board of Selectmen.

In making original appointments, the Board shall appoint two members for a term of three years, two members for a term of two years, and one member for a term of one year. Thereafter, before the close of the Annual Town Meeting, the Board shall appoint two members or one member, as may be required, for a term of three years to fill the places of such members whose term of three years to fill the places of such members whose terms have expired. No person shall be deemed ineligible to serve successive terms on such committee. The Board of Selectmen shall make interim appointments as required, to fill unexpired term of any member ceasing to serve.

The Permanent Building Committee shall consider the request of any Department, Board, Town Officer or the Town Meeting for the construction, reconstruction or addition to town buildings and other park, recreation or school facilities, and report promptly each such request and the recommendation of the Committee to the Town Meeting.

The Permanent Building Committee, following Town Meeting approval and appropriation for any construction, reconstruction or addition to town buildings or facilities, may award such contracts in the name of the Town as may be necessary to accomplish the vote of the Town Meeting, and will have general supervision and review of construction and completion of any construction project for which the Town Meeting has made an appropriation.

NOTICE

In accordance with General Laws, Chapter 64, Section 15, public notice is hereby given that the Town Clerk is prepared to furnish blanks for the Return of Birth to parents, householders, physicians and mid-wives who apply therefor.

The attention of parents and others is called to the importance of recording vital statistics correctly. If any errors or omissions are discovered, the same should be reported to the Town Clerk so that corrections may be made in accordance with the law. Failure to correct birth information may result in inconvenience to the child in later years, such as entering school, seeking employment, property rights, voting rights, marriage, military and naval service, veterans' benefits, travel outside the United States, etc., when a birth certificate is required.

General Laws, Chapter 46, Section 6, provides that "Parents within 40 days after the birth of a child and every householder within 40 days after a birth in his house, shall cause notice thereof to be given to the Clerk of the town where such child is born..."

General Laws, Chapter 273 of the Acts of 1944 provides that "Any resident of this Commonwealth who marries outside the Commonwealth and thereafter resides within the United States... must be personally present to the Town Clerk of the town where such person was domiciled at the time of said marriage an original certificate, declaration or other written evidence of the same, or a photostatic copy thereof. The Clerk may file such... as evidence establishing such marriage..."

MARRIAGES RECORDED 1980

There were 57 marriages recorded. Of these, 30 included residents of Norfolk, 22 persons from correctional institutions and 5 marriages involving persons from elsewhere.

Marriage intentions filed numbered 56. Marriage certificates issued numbered 56. One certificate has not been returned.

Respectfully submitted,
Elinor H. Pearson, Town Clerk
Thelma V. Ravinski, Assistant Town Clerk

December	2,875.00	—0—
Totals	\$90,199.00	\$11,658.00

12.9% recovery rate

The main goal of the Department this year was the reduction of house breaks and the amount of vandalism. I am happy to report that a small reduction in both breaking and entering and vandalism has been achieved. This is the second year that a reduction has been accomplished. The Department will continue to be committed to the goal of reducing further the amount of house breaks and vandalism.

However, we will be adding the goal of reducing motor vehicle accidents by stepping up enforcement of the motor vehicle laws, especially as they relate to speed. Increased use of the radar unit will be employed to accomplish this goal.

I and the officers of your department are looking forward to another year of mutual understanding and cooperation with you, the citizens of Norfolk. We need your "eyes" and "ears" to help us keep Norfolk the way we all want it—a safe, honest, respectable community in which to live and work.

Respectfully submitted,
 Samuel J. Johnston
 Chief of Police

ANNUAL ACTIVITY REPORT DETECTIVE SECTION

1. Listed below are the field investigations conducted by the Detective Division and also crimes reported to the Detectives from the Patrol Division.

Aggravated Assault	10
Breaking and Entering	49
Larceny	89
Motor Vehicle Theft	8
Non Aggravated Assault	3
Arson & Bombing	5
Forgery & Counterfeiting	1
Fraud	10
Sex Offenses	6
Offenses against Family & Children	4
Attempted Burglary	17
Recovered Stolen Property	13

2. As expected, due to the many lectures given last year on crime prevention there was a large increase in suspicious activity, but yet a decrease in breaking and entering. This can be looked at with a great deal of satisfaction as it shows the residents are more concerned in reporting suspicious activity which deters criminal activity and that is a direct result of the people being more involved in their neighborhoods as well as others. I hope your continued effort in seeing and reporting continues as our effort in crime prevention will show positive results.

3. As our new year is under way, the Crime Prevention Program is now into the Security Survey Phase. I will be contacting first all of the residents that were involved in the Neighborhood Watch and then by request and appointment only all other interested

residents that wish to have a residential security survey conducted in their home. There is a great deal of valuable knowledge to be gained in this area so please keep up the interest.

4. As always, submitted with appreciation and thanks to the people of Norfolk that make the job enjoyable as well as gratifying.

Wm. R. Treeful
 Detective, NPD

FIRE DEPARTMENT

The Fire Department provides fire prevention, fire suppression, rescue and emergency medical services to the community. The Department also participates in fire prevention education activities, community services and renders assistance to property owners for certain non-fire emergencies.

The Fire Department is governed by the Board of Fire Engineers. The Engineers serve at the pleasure of the Board of Selectmen and are responsible for policies concerning the administration and operation for the Fire Department. One Engineer is elected as the Chief Engineer and serves as the operating head of the Fire Department.

The Fire Department personnel consists of 27 volunteer firefighters who are paid for their services on a call basis. Sixteen of this staff are Registered Emergency Medical Technicians who provide emergency medical service for the town. In addition to the uniformed members the Fire Department also employs a part-time clerk.

REORGANIZATION

Because of the rapid growth of the town, the increasing demand for service and the placement of new equipment in service, the Board of Fire Engineers began an updating of departmental policies and regulations. In addition the requirements for additional responsibilities of a full-time chief are being re-examined. The squad concept has been introduced to improve training and availability of personnel for minor incidents and public service responses.

NEW EQUIPMENT

In the fall of 1980 a new 4 wheel drive brush truck was placed in service. The vehicle supplements an existing older unit and replaces one that has been in service for over twenty years.

In addition the water supply capabilities were greatly improved by equipping the pumper with 4" diameter hose. This large diameter hose gives the Fire Department the ability to move large volumes of water with limited manpower and equipment.

TRAINING

In service training programs both in firefighting and emergency medical techniques have been expanded. Monthly in-service training programs are

held for both firefighters and EMTs. In addition, Department members are encouraged to attend additional training programs sponsored by the Massachusetts Fire Fighting Academy, community colleges and other professional organizations.

Personnel are continually involved in the up-dating procedure for certification in Cardio-Pulmonary Resuscitation and Emergency Medical Techniques.

FIRE PREVENTION

The Fire Department is expanding its inspection program for schools, hospitals, mercantile establishments, public buildings, and MCI facilities. The Department continues to issue permits and render inspections of oil burners and smoke detectors in private dwellings.

The annual open house was again held during Fire Prevention Week in October. Work is continuing to expand the Learn Not To Burn Public Education Program in the schools.

COMMUNITY SERVICE

The Fire Department assisted many organizations with classes in general fire safety and cardio-pulmonary resuscitation. The vials of life, medical information program was instituted and is being expanded to all interested residents.

Average/Month	13.1	.6	16.8

The Board of Fire Engineers meets on the Thursday of the month at 7:30 P.M. in the Fire Station.

The emergency number for all fire, police and ambulance service is 528-3232. Business calls should be directed to 528-3207.

The Board of Fire Engineers extends its appreciation to the citizens of the town for their support and cooperation. A special note of appreciation is in order for the dedicated men and women that serve as Firefighters and Emergency Medical Technicians.

The Board is especially grateful for the service of Chief Douglas P. Forsman, who resigned to accept a position out-of-state and Arthur T. Sullivan who has retired after more than 20 years of service.

The Board of Fire Engineers also regrets the passing this year of former Fire Chief Robert M. Forsberg who also served as State Fire Marshall and State Director of Civil Defense, and Nelson Howard a former member of the Board of Fire Engineers.

Respectfully submitted
 Board of Fire Engineers
 Arthur Keenan, Chairman
 Charles F. Jerome, Secretary
 David O. Richardson
 Douglas P. Forsman, Chief Engineer
 (resigned 12/80)
 Anthony R. Granito, Chief Engineer
 (Acting)

POLICE/FIRE COMMUNICATIONS

It has been a full busy year also a sad one for our Department. The death of dispatcher Robert K. Forsberg, who died on the job, after being with us for five years. He is missed by all of us.

We welcomed Joy Leonard to the department in the year past.

We thank all departments and you, the general public, for your cooperation and in return will continue to do all we can to serve you efficiently, politely, and to the very best of our ability.

Respectfully submitted,
Dorothy M. Campbell
Chief Dispatcher

BUILDING DEPARTMENT

The Building, Electrical, Gas and Plumbing Inspectors would like to take this opportunity to thank the townspeople for allowing the Inspectors to add a secretary to assist them with the clerical duties, so as to enable the Inspectors to have more time to concentrate on the actual inspections and enforcement of the State and Local Codes. In July, Janet Prevett came on board as secretary to the Inspectors, in order that applications may be submitted, permits issued and inspections may be reported directly to the Town Hall. The office, at the Town Hall, is now open Monday, Tuesday, Thursday, and Friday 9:00 A.M. to 1:00 P.M. and Wednesday 9:00 A.M. to 12:00 Noon. An answering machine is in operation at all other times in order that messages may be received and inspections reported any time of the day or night, by calling 528-7747. This new arrangement has proved to be beneficial and convenient to the public, as well as to the Inspectors.

The Inspectors would also like to thank the Town Clerk's and Selectmen's Offices for the assistance that was extended to them prior to the addition of their secretary. Their help was very much appreciated. Also, Janet would like to extend her gratitude to Judy Murray, Thelma Ravinski, Priscilla Larochelle, and especially Marilyn Morris and Dianne O'Rourke for their willingness and patience in acquainting her with the duties of the Inspectors' Office.

Respectfully,
Robert F. Ravinski, Bldg. Insp.
J. William Meau, Deputy Bldg. Insp.
Peter O'Loughlin, Electrical Insp.
Edward Ravinski, Asst. Elec. Insp.
James K. Murray, Gas & Plumb. Insp.

BUILDING INSPECTOR

The report for the Town of Norfolk, Building Inspector's Office, for the year 1980 is as follows:

No. of Permits	Explanation	Est. Value
69	New dwellings	\$3,121,400.00
1	Business addition	12,000.00
57	Additions-alterations	249,000.00
12	Pools	57,400.00
6	Solar Systems	40,000.00
74	Wood/Coal stoves	37,000.00
3	Signs	5,000.00
1	Demolition	
223	Total Est. Value	\$3,521,400.00
	Total fees forwarded to Treasurer	9,833.00

Year	Number of Permits
1979	233
1978	104
1977	151
1976	132

Respectfully submitted,
Robert F. Ravinski, Bldg. Insp.
J. William Meau, Deputy Bldg. Insp.

ELECTRICAL INSPECTOR

Total permits issued for 1980: 142
Respectfully submitted,
Peter J. O'Loughlin, Electrical Insp.
Edward Ravinski, Asst. Elec. Insp.

GAS INSPECTOR

Total permits issued for 1980: 22
Respectfully submitted,
James K. Murray, Gas Insp.

PLUMBING INSPECTOR

Total permits issued for 1980: 87
Respectfully submitted,
James K. Murray, Plumbing Insp.

HIGHWAY DEPARTMENT

The Highway Department consists of a superintendent, foreman, eight full-time employees and a part-time clerk.

The Department is responsible for the maintenance and improvements to 55 miles of accepted streets. In addition, there are approximately 11 miles of unaccepted streets that require some services. Most

of these streets are in sub-divisions in some phase of construction. The Department is also responsible for the operation of the sanitary landfill.

In addition to the regular maintenance program the Department completed the following special projects:

Type I bituminous concrete was used to repave Fruit Street, Marshall Street and Chestnut Road.

New drain lines were installed on Marshall Street and Chestnut Road.

Drainage work on Leland Road, Union Street, Rockwood Road, Boardman Street and Maple Street will be completed in the spring after required easements are completed.

The sanitary landfill interim plan of operation has the Department of Environmental Quality Engineering's approval for the present location. By early summer, 1981, two of five cells will be completed. The three remaining cells are expected to be filled by December, 1982. Presently, Landmark Engineering is updating plans for expansion to section "D" (to the rear of present location) for future use.

F. Arthur Woodworth, Jr.

CEMETERY COMMISSION

The Norfolk Cemetery is currently owned by a non-profit cemetery corporation and is self sustaining.

Legislation has been passed by the Commonwealth of Massachusetts authorizing the Town of Norfolk to acquire by gift the cemetery and all assets of the corporation and the town has voted to accept same.

A meeting of the Trustees and members of the cemetery corporation and the Cemetery Commissioners is scheduled for March 14, 1981. It is expected that all documents necessary for the transfer will be executed at that time and the town will own the cemetery.

Respectfully submitted,
Frank J. Gross
Robert L. Kirby
Jane K. Potter

CIVIL DEFENSE AGENCY

When the words "Civil Defense" are heard, the first things that come to mind are: bombs, shelters, emergency food supplies, etc.; and our local radio station "the tone!" (beep) that you now hear is a test. Let's hope it remains so.

What the words Civil Defense really mean are, Emergency Planning and Preparedness. These are functions that are applied on a daily basis by the Police, Fire, Highway, and other departments of your town. The situations that apply daily are magnified greatly when storms strike. Our area, thankfully, has not geographically been caused harm and chaos by warfare.

By statute law, all communities must have a Civil Defense Director. He may request a staff which is appointed by the Local Governing Authority. The departments in the community of Public Service nature are Civil Defense Units.

The Civil Defense Agency Director and/or his Deputies, along with the staff, are a coordinating body. It is the duty of this Agency to assist Local Department Heads by providing intelligence and intra-departmental operations data and assistance in obtaining equipment, manpower, and supplies that are needed.

This Agency has attended many operational meetings at Sector 2 in Bridgewater and several seminars on operational management and emergency service.

Our emergency communications staff has another year of outstanding response to monthly test drills so important to our operation should occasions require.

Enough cannot be said for our Auxiliary Police. Many, many hours of devotion, unpaid hours, assisting the Police Department in serving the people of Norfolk, and outside the community, assisting other communities in the vicinity with various functions.

In closing this report, I do so with gratitude to the other departments for their help and support.

Respectfully submitted,
A. Bruce Woodworth
Director

ANIMAL CONTROL DEPARTMENT

The Annual Report of the Animal Control Department is as follows:

Miles Traveled	12,000
Dogs Handled	15
Cats Handled	3
Lost Cat and Dog Calls	20
Other Animals	1

TREE WARDEN & INSECT PEST CONTROL

This is my eighteenth report to the Town of Norfolk on the care of the town's shade trees.

The reduction of property taxes being the most vital subject this year, I would like to say that I have kept the dollar amount of my budget as lean as possible.

bie, even though it will only permit us to do mostly emergency type work. The fat was cut from my budget long before 2½ came to Massachusetts.

In our work in the Department we try to cover every street to assure the safety of the public. This includes the removal of hazardous limbs, trees and stumps and general pruning.

Requests and complaints from citizens are taken care of promptly. We welcome these calls as it helps to make our job easier and could possibly prevent an accident.

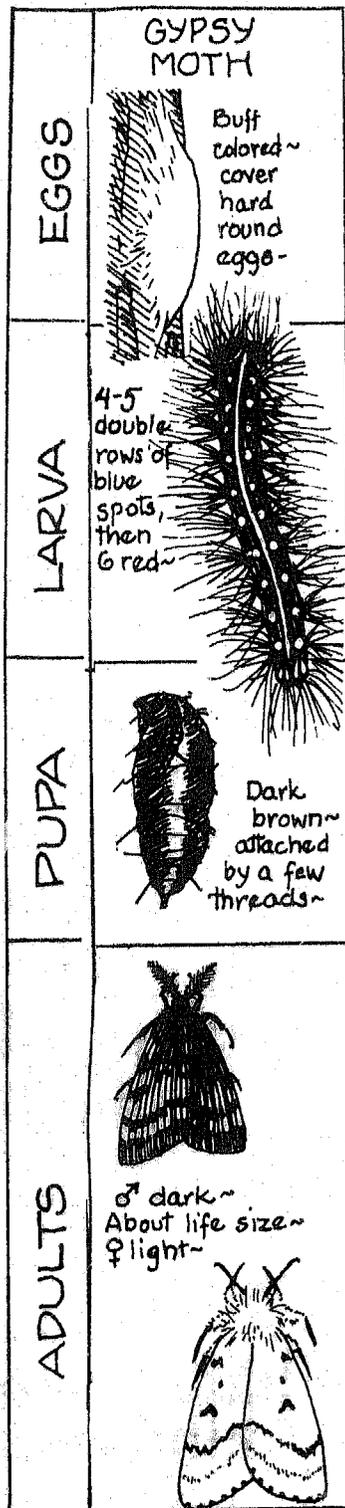

The gypsy moth pests are still with us and it looks like they will be around for a while. They really like oaks and if you will look up at our oaks, you will see thousands of egg masses on the under side of the limbs. In the late spring as the leaves begin to open up the eggs will start hatching and the caterpillars will start chewing. The damage so far in Norfolk has been minimal, but I really don't know about the future.

My deputy tree warden, my foreman and I attend several technical seminars yearly at no expense to the town. I would like to quote from a news release from the National Arborist Association, dated December, 1980:

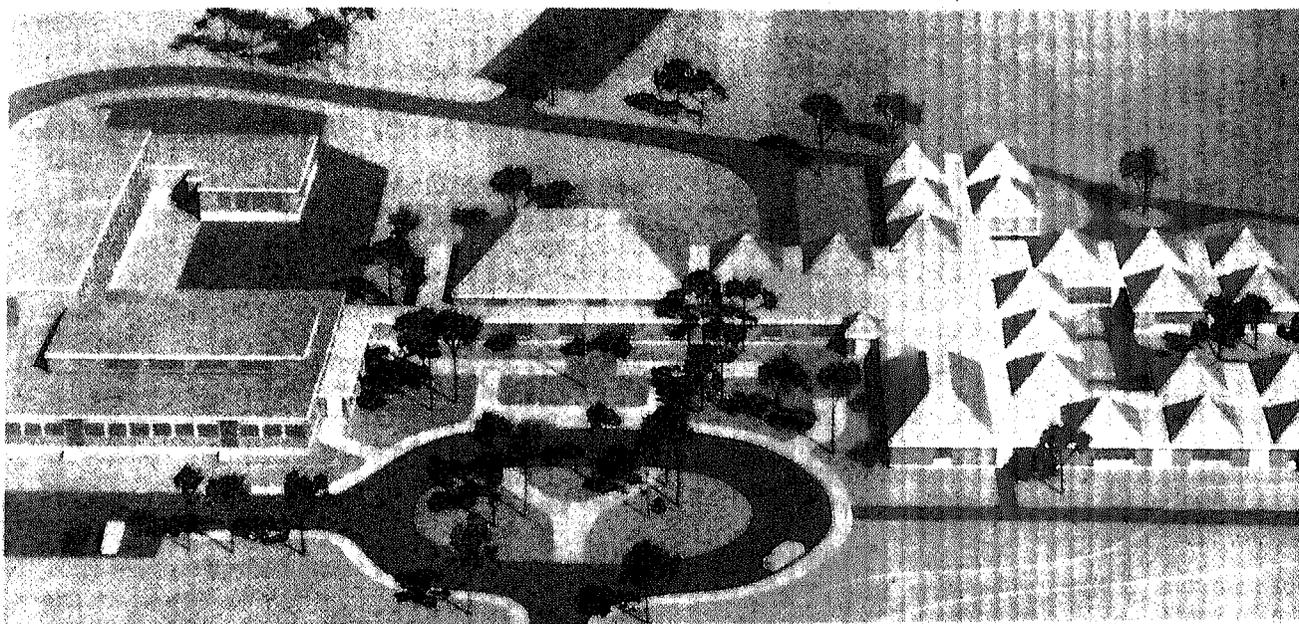

Local Arborist Attends Technical Seminar

"People pressures and environmental pressures effect trees too." Mr. Kenneth L. Tripp from Ken Tripp Tree & Landscape, Inc., Norfolk, MA, recently attended a Technical Seminar dealing with these very problems. The Seminar was sponsored by the National Arborist Association and presented by Dr. Terry Tattar, a plant pathologist from the University of Massachusetts.

Pressures such as construction, soil contaminants, pollution and other man-imposed environmental changes effect trees adversely and contribute to the decline of our urban forests. Competent arborists are able to recognize and deal with these problems so that their clients can benefit from the many values that their trees provide.

NORFOLK PUBLIC SCHOOLS

For the Year Ending December 31, 1980

REPORT OF THE ALVIN J. FREEMAN SCHOOL

To the Superintendent of Schools:

It is with pleasure that I submit my annual report as principal of the Alvin J. Freeman School.

The beginning of a new school year in September brought several changes in our faculty. We welcomed Mrs. Denise Holden who replaced Miss Lisa White in Special Needs. Miss Heather Bry was also added to the Special Needs staff and Mrs. Candace Flaherty was employed as the Special Needs Aide. At the second grade level, Mrs. Ann Pizzi was hired to teach full time. Because of a decrease in enrollment at the kindergarten level, Mrs. Anne Houle was employed to teach a first grade reading class in the morning and a kindergarten class in the afternoon.

In late November Miss Elizabeth DiCecco, a commendable third grade teacher for the past eight years, resigned because she was getting married and moving out of state. Mrs. Constance Casey, who has previously taught in Norfolk in various positions, was hired to complete the year at the third grade level.

The Title I Program is again in operation at the Norfolk Public Schools. The funding for the expenses of the Title I Program (salaries, materials, equipment, etc.) comes from the Federal Government. Children are currently being helped in reading and math.

Students are administered standardized tests in the fall and spring. The students educational needs are determined based on a review of various test scores, classroom teacher recommendations and parent conference information. A notice is sent to parents notifying them that their child is receiving extra remedial help in reading or math. Parent teacher conferences are scheduled in November and upon the request of a parent.

The remedial reading program is under the direction of Mrs. Patricia Murray. The remedial math program is under the guidance of Mrs. Carol Thibodeau. Mrs. Joyce Welch, the Title I Aide, works with students in both reading and math. This enables the students to receive much individualized attention in these two important areas.

The remedial reading program is aimed at developing vocabulary, fluent oral reading, comprehension and word attack skills. The remedial reading program uses the Distar program and the Lippincott phonetic-linguistic approach to reading. Supplementary materials include electronic learning aids such as the Spellbinder and Language Master, filmstrips, tapes and a variety of phonetic and reading games.

The main objectives of the remedial math program are to improve computation and problem solving skills and to give the student a better understanding of the basic mathematical concepts as related to every day life. The remedial math program uses Houghton Mifflin's **Mathematics for Individualized Achievement**. Supplementary materials include Chip

Trading, a manipulative non-graded game that teaches place value in a fun way and **Little Professors**, small calculators that make learning number facts fun. Various manipulative aids and math games are also used in the program.

In accordance with the Title I Program we have a Parent Advisory Council representing various areas of Norfolk. The council meets bi-monthly to discuss various aspects of the program and has formed a parent volunteer program to aid students in the classes.

This year the Distar Reading program is being used in the low reading groups at the primary level. The goal of the Distar System is to teach the students important basic reading skills which are vital for success in school and in life. Distar Reading teaches students the skills for decoding words-sound symbol relationships, sequencing, blending and rhyming. It concentrates on important sound combinations, word discriminations and learning how to use a variety of word attack skills. In order to accomplish this, the Distar System utilizes a direct instruction approach. The progression of skills and concepts are taught clearly and consistently. The Distar System strives to instill confidence and a sense of pride in the students as they achieve academic success. Pupils using this program are making steady progress.

Music classes, under the direction of Mrs. Natalie Moeckel, have been actively involved in learning new concepts and also in the preparation of special programs that are presented to the student body in the form of assemblies.

Kindergarten students have learned the rudiments of rhythm with clapping and the use of instruments. All kindergarten rooms have been provided with a set of rhythm instruments.

Grade One prepared a musical and dramatic program for National Book Week. Many of our favorite nursery rhymes were incorporated. This program was repeated as part of an evening performance in February.

Grade Two entertained in February with a special production of **Hansel and Gretel**. What a marvelous way to be introduced to music from an opera!

Grade Three presented a program entitled "**'Tis the Season to Be Jolly**" for the December assembly. This included ten seasonal songs from various cultures and beliefs. Their February operetta, **The Frog Prince**, was enjoyed by parents and friends during a capacity crowd evening performance.

Grades Four and Five formed a chorus this year meeting for an hour each Wednesday after school. New octavo music was provided and students learned to cope with parts written on separate staves. Now it no longer seems difficult to read; solo voices that previously were not even suspected have now been developed.

Sixth Grade chorus did an excellent job of leading the Thanksgiving and Christmas Assemblies in Sing

Along for the Centennial School. New music with catchy seasonal lyrics were coordinated with slides which fed the words to the audience. The result was total participation without much rehearsal time required.

In the primary grades strong emphasis is placed on the basic fundamental reading and phonics skills, listening skills, creative writing, the basic number facts, map study skills and writing skills. Without a thorough knowledge and mastery of these essential basic fundamental skills the student would find it difficult to achieve success in the higher grades.

At this time I should like to commend the primary grade teachers for their excellent daily teaching and instruction for the interest shown in their individual help given to enable the boys and girls to receive a fine beginning along their educational journey. Many projects and special activities which correlate with the various subjects are included in the primary grade curriculum. All students are given the opportunity to participate in assembly programs; this helps to develop poise, self-confidence and leadership ability.

One of the highlights of the year was the BOOKS ALIVE Authors' Day held in October in observance of the Centennial celebration of the Norfolk Public Library. It was delightful to have authors visit the classrooms to read from their books and relate many interesting personal experiences. Later, the pupils wrote letters or made cards which were sent to the authors. Many of the pupils were thrilled to receive answers to their letters. I should like to personally thank Mrs. Jeanne Hill, the town librarian, all her assistants and Mrs. Maura McNicholas, our school librarian, and all who assisted in any way for planning and coordinating such a delightful day.

On behalf of the faculty and pupils I should like to thank Mrs. Wachtel and the other T.P.A. officers and members for their genuine interest in our schools and the countless hours of volunteer work given to the school in various capacities. Especially do we thank Mrs. Graff for the wonderful hands-on enrichment assemblies which she has planned for the two schools. The program **MIME MAGIC** by David Zucker, the **GERWICK PUPPETS** and Young Audiences **BRASS QUINTET** seemed to be the favorite programs. The first grades received particular enjoyment and enrichment from Priscilla Phillips and her informative program from Sturdy Memorial Hospital in Attleboro.

Throughout the year all classes have participated in the annual Ecology Contest sponsored by the Environmental Protective Agency. Programs from the Norfolk County Agricultural School, the Boston Edison Company and the New England Dairy Council have also been included in our curriculum.

In closing, I wish to thank Mr. Manos, the members of the Norfolk School Committee, the faculty and the pupils; Mrs. Marion Potter, our school secretary; Mrs. Church, the school nurse; Mrs. Larkin, Cafeteria Manager and her personnel; Mr. Gattoni and his fellow custodians, Mrs. Barbara Sabatini who contributes freely of her time; all

volunteer aides and room mothers; the Norfolk Police; the Fire Department for all their assistance during Fire Prevention Week; the Norfolk American Legion Post No. 335; Mrs. Cynthia Thomas; the Lions Club; Mrs. Jeanne Hill, the T.P.A.; all substitute teachers, parents, citizens, friends, and organizations of the community for their continued interest, whole-hearted support, cooperation and kindnesses extended during the year.

Respectfully submitted
H. Olive Davis

REPORT OF THE NORFOLK SCHOOL COMMITTEE

The Norfolk School Committee meets the fourth Thursday of each month at the Centennial School at 7:30 P.M. Notice of all regular and special meetings and changes in time or place of meetings are posted at the Town Hall. All meetings are open to the public. The Committee rarely meets in Executive Session.

All citizens are welcome to attend meetings and express their concerns and ideas to the Committee. When possible, visitors will be heard by the Committee as the first order of business. If you plan to attend a meeting for the purpose of addressing the Committee please call the Superintendent at least four days prior to the meeting and ask to be placed on the agenda.

We thank all persons who have contributed to the operation of the schools during the past year.

We pledge to continue to provide high quality education for the lowest possible cost.

Respectfully submitted,
Frank J. Gross
Joyce Clancy

Emily Nicodemus
Paul Pelletier

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of the Town of Norfolk:

It is with pleasure that I submit my Annual Report as Superintendent of the Norfolk Public Schools.

The 1980-81 school year, while one of progress in the Norfolk Public Schools, has also been one of conservation in all the vital energy areas. At a recent meeting of the Energy Subcommittee of the School Committee, a report was presented indicating that lighting changes in the schools over the past three years have resulted in an annual savings of almost \$16,000. per year in electric bills. A report on fuel oil consumption for 1979-80 indicated a reduction in the use of fuel oil of over 14,000 gallons, as compared to the school year 1978-79; a savings of approximately \$14,000.

Air circulating fans have been installed in the library and cafeteria/gymnasium to minimize heat loss. These fans recirculate downward the warm air that has risen to the top of the room, equalizing temperatures and thus requiring less fuel to maintain inside temperatures.

These are but a few of the changes already made that have resulted in an annual savings of tens of thousands of tax dollars. We have just completed a preliminary energy audit, the results of which should indicate the direction we must take to affect more and even greater savings.

This year, children in grades 1-6 are participating in a Skills Achievement Monitoring system for math that we call SAM. We have developed SAM so that students and their teachers will know what skills each child has learned and what skills he still needs to work on. Students are tested on twenty to thirty important skills that will be taught during the school year. By testing on all skills every eight weeks, students know what they have to learn from the start of the year. Some students already know skills they haven't been taught, while others may have forgotten skills already taught earlier in the year. The resulting information is important for instructional decisions. The SAM project came into being because of a grant received from the State of Massachusetts, as a result of a curriculum project submitted by the Norfolk Schools written by Dena Kaufman, a fifth grade teacher.

Our physical education and intramural programs provide the students of the elementary schools with an excellent educational and recreational program. During the past school year over 850 boys and girls participated in the following intramural activities: soccer, flag football, floor hockey, basketball, volleyball, gymnastics and speedball.

The library in the Centennial School continues to be the "hub" of the educational experience of the students in the Norfolk Schools. As a result of effective educational planning, the entire population of both the Alvin J. Freeman and Centennial schools have full access to this excellent Media Center. Hundreds of students are served each day. Students are taught sequential library skills that will aid them immeasurably in their further education and in later life. A noticeable increase in leisure time reading has been indicated by the large number of books loaned from the library each week. Parent volunteers, coordinated by the T.P.A., are kept busy shelving the over 1,000 books circulated each week.

The art program has undergone a major change this year as a result of a personnel change and a newly revised curriculum. To date, the students have been introduced to color, design, shape construction, various crafts, ceramics and calligraphy. During the remainder of the school year they will explore printing, sculpture, batik, tyedying, copper enameling, puppetry and an extensive craft program.

The Teacher-Parent Association has provided the students with a number of excellent assemblies during the past year. We are truly indebted to the T.P.A. for these educationally enriching programs. In addition, the T.P.A. has coordinated a program of mother-helpers in the Kindergarten, room mothers to assist with parties and field trips for the individual classes, clerical aides, library aides, lunchroom and recess aides and some individual classroom aides. We urge all of our parents to join the T.P.A. and to work with our teachers to provide our children with the best elementary education possible.

Educationally, our goal is to provide the children of Norfolk with the essential knowledge necessary to success in a highly competitive society. Students should not only be taught "the basics", they should also be taught to think creatively and critically. In this way they should have a greater opportunity to realize their greatest potential.

I would like to take this opportunity to express my sincere thanks to the School Committee for their invaluable assistance, for their long hours of dedicated service and for their concern for the children of Norfolk.

To the Principal, teachers and other members of the school staff, my sincere appreciation for their cooperation in providing the young people of our community with a quality education.

Respectfully submitted
Charles L. Manos
Superintendent

KING PHILIP REGIONAL SCHOOL DISTRICT WRENTHAM, MASSACHUSETTS

REPORT OF THE CHAIRMAN

The school year can be characterized as one of achievement in difficult times and one of increased determination on the part of the district to become as cost efficient as possible. The tax cap placed a financial limit upon the schools that did not meet the problems of inflation, energy costs and general salary increases. In consequence, staff and material cuts

were necessary. The deletions were made judiciously and the quality of basic programs retained.

It appears that the passage of Proposition 2½ will be more damaging. The cutting of the fiscal year 1982 net budget below fiscal year 1981 means that all salary increases, a new bus contract, the cost of inflation and energy costs increases must not only be absorbed within the present budget level, but more reductions must still be made to meet the reduced spending level established by the law.

We shall conform to the law and attempt to minimize the effect upon students to the extent possible. Unfortunately, it appears that there must be substantial cuts in present services to meet the demands of the new law. It seems that FY82 will be very difficult with perhaps, but not necessarily, some legislative relief in FY83 to offset unintended effects.

The Report of the Superintendent illustrates changes and events of the last school year. There are several additional important notes. The Basic Skills Improvement Program (competency testing) has been approved and grade nine students will be tested during the 1980-1981 school year in the areas of mathematics, reading and writing. Results will be available to students, parents and the general public. The academic and vocational special needs programs are well-developed, very effective and highly regarded. The Energy, Safety and Handicapped Barrier Removal Committee has effected a 27% energy savings and has been very active in the two other areas in its title, serving both as monitor and projects director.

We are successfully pursuing federal aid at all levels to supplement local funds.

Gifted-talented programs are under development in all schools. The College Academy at Framingham State College, MIT Advanced Programs for High Schools, Great Books, Dean Junior College and computer science courses are also being utilized.

We are pleased that our rate of serious discipline cases is relatively low and that our drop-out rate is one of the lowest, if not the lowest, in the state.

Everything considered, it has been a very good year and, although Proposition 2½ clouds our financial future, we shall meet it with optimism and energy. In the long run the public will have the kind of schools it wants and is willing to support. We feel the public demands educationally effective and cost efficient schools. We shall continue to work toward those goals even more strenuously in the future than we have in the past. The combined efforts of the School Committee, communities served, students, parents, faculty and administration can realize the unique potential of the regional district and attain the goal of an ever greater quality of education for each student.

Respectfully submitted,
Marsha Robbins, Chairman
King Philip Regional School
District Committee

KING PHILIP REGIONAL SCHOOL DISTRICT WRENTHAM, MASSACHUSETTS

REPORT OF THE SUPERINTENDENT

I herewith submit my ninth annual report as Superintendent of the King Philip Regional School District.

The past year has been one of extreme effort and involvement by the staff and students of the District within their individual and combined areas of education. It was also a year marked by a tragedy in our educational community.

This year one of our fine young staff members, Gerald E. Kamon, Automotive Instructor, King Philip Regional Vocational High School, passed away. Mr. Kamon was one of those teachers who possessed great technical knowledge combined with a superb ability to convey those skills to students. More importantly, he set an example worthy of emulation. His students were loyal, his colleagues were friends and his personal qualities were admired by all who knew him. He was concerned about his students and committed to his profession. He will most assuredly continue to be missed by all of those who worked with him at King Philip or remember him as their teacher.

JUNIOR HIGH SCHOOL

The junior high school has updated Curriculum Guides for all subjects with the most noticeable changes in the Foreign Language and PACE programs. Students who were in the Foreign Language Program previously took either French or Spanish in the seventh grade, now students have both French and Spanish in the seventh grade and then select which language they will take in grade eight. The Practical Arts Career Education (PACE) program has been changed to allow students to take these programs every day as compared with only two days per week the year before.

The gifted program continues under the volunteer efforts of the teachers and remedial classes are available in all areas but most concentrated in the reading program.

Backing up the strong intramural program was the first full year of the boys and girls interscholastic basketball for both grades seven and eight. In addition, a remedial physical education program helps those youngsters with special needs in this area.

A school newspaper written by the students was published. A TRS-80 Microcomputer has been acquired and is used by the pupils and the teachers as a teaching/learning tool.

The first Science Fair was successful. It is planned to continue this as an annual event. The greenhouse has finally become a reality and should be fully operative in the spring of 1981.

At the end of the school year, those students with high academic achievements are honored with an

Awards Program held in the evening with parents attending.

SENIOR HIGH SCHOOL ACADEMIC DIVISION

Community involvement has been increased through several activities including a formal parent advisory group that meets monthly in the evenings to discuss topics of interest. Other workshops with staff and the community were developed in conjunction with the clergy, police and visiting nurses. Parents and students were also utilized in search/screening committees for the new Band Director and Assistant Principal/Director of Student Services.

The academic program was enhanced by new activities. The first academic awards evening was conducted. The process of identifying and providing some individualization for gifted/talented students has begun. These have been tested and their programs modified. Several students took part in the MIT High School Studies Program. Plans are being developed for a student exchange program with France.

A large scale election simulation was carried out under the direction of the social studies department.

Very importantly, for the first time all ninth and tenth grade vocational students have been integrated into regular English and social studies classes.

SENIOR HIGH SCHOOL VOCATIONAL DIVISION

The vocational division of the senior high school continued to undertake a variety of projects that benefit the students, the schools and the regional communities. There are certainly educational and financial advantages, but it is also important to note that without vocational assistance many of the worthwhile tasks could never have been accomplished.

A home was constructed in Plainville for Mrs. Brenda McElreavy and presently one is under construction in Wrentham for Mr. and Mrs. John Blenkiron. These represent the twentieth and twenty-first houses built by the school.

Other large construction projects included greenhouses for the science students at the junior and senior high schools. A large renovation project was completed in the reconstruction of the small engines laboratory and the automotive tune-up laboratory in the detached garage behind the high school. Another major renovation was the relocation and extension of dust collecting systems for the sheet metal, carpentry and plumbing shops to produce a higher clean air level to preserve student and instructor health.

To assist the special needs program a standard classroom was sub-divided into three units at King Philip-North providing more flexible smaller spaces.

A rotary oven was installed and wired in the food services laboratory. Machines were wired and lighting fixtures installed in the special needs resource areas, drafting room, graphics area and food services related classroom. Additionally a lavatory was created in the carpentry shop for special needs-handicapped students. A sink was installed in the business education classroom, a cabinet was built to house one of the high school's computers, a business office was constructed in the school store and overhead fans were installed in the automotive and machine shops to direct wasted overhead heat to the floor level. Another energy conservation project was the blocking in of two overhead doors in the automotive shop.

The vocational division, instructors and students, are obviously devoting an increasing amount of time in improving the facilities and physical plant in the high school building with minimal financial expenditures.

DEPARTMENT OF STUDENT SERVICES

The Department of Student Services has worked to extend its services to students and staff as well as to develop a higher level of visibility.

The department presents the very important freshman orientation program as well as the orientation of eighth grade students to the academic and vocational high schools. A student services booklet is presented to all new students.

More than fifty college representatives visited the regional high school. There was also a military career day. The juniors were invited to a college fair in Boston with about 150 attending, and both juniors and seniors receive the student services newsletter than contains a wealth of information concerning colleges and financial aid. As a further assistance college application procedures have been discussed with all seniors and a financial aid night conducted for students and parents.

The high school is a testing site for the College Entrance Examination Board and the Armed Service Vocational Battery Aptitude Test.

DEPARTMENT OF SPECIAL SERVICES

The past year has seen another significant increase in the Special Needs population in the District. The junior high school seems to have stabilized at 75 to 90 students but the high school has grown from less than 55 students in September of 1978 to more than 105 in September of 1980 and will be approximately 140 students for the 1981-82 school year.

The school year was a good year for teachers' training programs related to special needs. Through Lesley College we offered a Learning Disabilities course for all staff. The special needs staff and guidance counselors attended a workshop which provided training in the writing of Individual Educational Plans. Finally, the BICO Low Incidence Special Needs collaborative provided a workshop for administrators which explained all of their programs.

Looking to the future, we anticipate a leveling off in the growth of special needs within the next three

years. Costs, however, may continue to rise based on State and Federal support of these programs. We have a fine staff that continues to improve with experience and, coupled with the unique comprehensive educational program which King Philip offers, can create programs and present opportunities that prepare our students to be successful adults both personally and professionally.

CONCLUSION

In spite of our present financial problems the future looks very bright for King Philip. I am optimistic about our programs because our administrators and staff recognize our needs and are not deterred but accept the challenge of improving themselves and their departments. They are capable of meeting their high objectives.

The passage of Proposition 2½ dramatically increases the problem of financial support. We shall do our absolute best with the funds that we receive but in a time of rampant inflation, increasing energy costs and collective bargaining it is unrealistic to believe substantially and continually decreased budgets will provide sufficient long term funding for maintaining and improving the schools.

If there is no relief within the next few years, it may be necessary for the community to reassess some of its expectations. Maximum value should be received for expenditures made, but all of us realize that quality in any endeavor has certain costs which can be somewhat reduced, sometimes delayed, but never eliminated.

The School Committee has actively participated and supported us in our many endeavors. Its leadership and cooperation remain active and vital. I also sincerely appreciate the efforts of our students, their parents, teachers, guidance counselors, nurses, custodians, office personnel, cafeteria workers and administrators in all of our schools. The success of the schools is dependent upon the interaction of all who teach, learn, serve and support the schools of the regional district.

Respectfully submitted,
William J. Costa
Superintendent of Schools

TRI-COUNTY REGIONAL VOCATIONAL TECHNICAL SCHOOL

ANNUAL REPORT

The year 1980 was a landmark year inasmuch as it was the year that Tri-County graduated its first class. To be sure it was a memorable occasion for the graduates but particularly satisfying to the Committee as the attainment of another major goal. In retrospect, it was a good year.

We were pleased to note that on a daily basis adult residents of the district visited Tri-County and very often commented on the high morale of the students and staff. More than at any time in the past a certain pride has been in evidence and an indication that school can be an enjoyable place in which to work and learn.

Realizing that a full accounting is not possible in the space allowed, this report will, as in the past, attempt to inform all residents regarding the activities and achievements of Tri-County as they relate to students and educational programs.

VOCATIONAL DEPARTMENT

All of the vocational areas have been involved in expanding and increasing both the amount and type of work that assists towns in the district. Of significant note has been the complete remodeling of the old Town Hall in Franklin. This project perhaps best exemplified the collaboration of several shops working under the direction of one. Plant Maintenance students coordinated the efforts of Plumbing, Electricity, Painting & Decorating, Carpentry, and Masonry. The latter two departments have also worked closely in completing two storage buildings for the town of Millis.

The interior walls of Tri-County display the skills of students in Painting & Decorating and these murals add greatly to the bright and exciting atmosphere of the school.

Cabinet Making and the Metal Trades continue to produce quality items that are sold at a considerable savings to residents of the district through the D.E. school store.

Because of these experiences that closely simulate the real world of work, students in the vocational programs enjoy the success and benefits of employment.

TECHNICAL DEPARTMENT

Many areas in the technical department continue to service the members of the district communities. Various groups and organizations utilize the Cosmetology Salon, the Culinary Arts, and the Graphic Arts departments.

A new dimension has been added to the Child Care program. Twice a month a group of toddlers ranging in age from eighteen months to thirty months spend an hour of pleasant interaction with Child Care students.

Commercial Art has also been able to expand its curriculum through a generous government grant for

the development of a "Multi Image" production program.

A close working relationship has been established with Digital Equipment Corporation in anticipation of the completion of the Digital plant in Franklin. Four students in the Electronics course are involved in a cooperative work experience at the Maynard facility.

The technical programs have gained stability and strength in the three years of Tri-County's operation. This past year has been a time of building and expanding on that foundation in order to offer students the diversity of skills to make them employable.

ACADEMIC DEPARTMENT

The academic curricula continues to prepare students for both a future in the work place as well as a post secondary education. The graduating class of 1980 saw 13% of its members enter a post secondary education program of study.

Two areas of major impact this year were the Reading and Basic Skills programs. Our Reading program has demonstrated significant impact on the reading comprehension level of those students participating in the program. The Basic Skills program has brought together students, parents, teachers, and employers for the purpose of reviewing existing curricula and contributing input toward curricula revision. All freshmen students will be tested in the fall to determine their competence in the basic skills areas of reading, writing, and mathematics. The results of this testing, along with continued community involvement, will assist in determining the future course of our academic curricula.

SPECIAL NEEDS DEPARTMENT

The Special Needs program at Tri-County has continued to implement Mass. Chapter 766 and Federal Law P.L. 94-142, by providing a free and appropriate public education for pupils enrolled at Tri-County.

There has been some continued expansion of the program with the addition of another special needs teacher and a teacher aide. Another avenue of expansion was to begin work with some member communities in the development of some occupational training options for special needs students outside of Tri-County.

Job placement of students enrolled in substantially separate programs has begun with three pupils placed in co-op jobs. They will receive supervision on the job from their employers and from the school to assure a smooth transition to the world of work.

We are looking forward to the addition of a vocational resource teacher in January of 1981. This position is being funded with federal vocational education funds and should be a welcome addition to our staff. This will allow for additional assistance to

vocational teachers in working with special needs students. The key to effectiveness of the special needs program is directly related to the success of the regular education program. The more that can be done to assist the classroom teacher, the more successful all pupils will be.

GUIDANCE DEPARTMENT

The Guidance Department has presented slide-sound shows depicting Tri-County programs to all Grade 8 students in the nine town district. Applications were processed and 300 freshmen were accepted in September for the 1980-81 school year. Tri-County now has 1196 students in Grades 9 through 12, 37 of which are residents of the Town of Norfolk.

Of the 240 June graduates, 4 were from the town of Norfolk and of that number 1 has been employed and 3 have gone on to higher education.

The Cooperative Education Program which allows seniors, who have a B average or better, to work in their trade or technical skill every other week, has averaged 100 students each year.

This program benefits both the employer and the employee. The Co-op program involves all programs at Tri-County except Cosmetology students who are not eligible because of hourly requirements.

Tests available to students at Tri-County are: The Armed Services Aptitude Test Battery, PSAT's, SAT's, Massachusetts Basic Competency Tests, and the SRA Achievement Tests.

The school immunization records of new students were reviewed under newly enforced regulations of the Department of Public Health. No students were excluded for failure to comply with these regulations.

Tuberculosis screening by Mantoux testing was given to ninety-eight employees whose test dates had expired. Ten students enrolled in the Child Care Program were also screened.

Mrs. Gallishaw, school nurse, is preparing for the implementation of a newly mandated postural screening (Scoliosis) program which will begin in the fall of 1981.

ADULT EVENING PROGRAM

Nineteen trade preparation and trade extension programs were offered to over three hundred district residents. Of that number, 17 were residents of Norfolk.

Most courses operated for ten weeks, three hours per night, two evenings a week. Some of the more popular programs are in session for four nights weekly.

JUNIOR PROM—1980

The Junior Prom, held May 8, 1980, at the King Philip Ballroom, Wrentham, was attended by more than 235 people. Students, faculty, staff, and School Committee members danced from 8:00 P.M. until midnight with music provided by "Horse". The theme, "Let It Be", was the background for the choosing of the Queen and her court of five Princesses. The second annual Tri-County Junior Prom was an event immensely enjoyed by all who attended.

CAREER EDUCATION

The Career Education laboratory was very active this year. Approximately 3,000 students from Tri-County and the member towns have used the facilities and the MOIS computer for occupational information. In addition, a career day was held for 1700 eighth grade students. Eighteen companies participated in a job fair at Tri-County last April. The object was to encourage employment of graduating seniors at our school and the six towns that participated.

It is with a deep sense of regret that we announce the resignation of Mr. Loring Maxwell, Area Coordinator, and the person most responsible for the many services provided to member towns by the Career Education lab.

At this time, it appears that impending financial constraints will not allow us to continue this innovative and valuable service.

JEWELRY PROGRAM

An evening jewelry skills training program was completed this year. Thirty-five students participated in this course which provided training in hand engraving, patternmaking, or stone setting. The program was funded by a vocational education grant of \$43,000; an additional grant of \$8,000 has been received to commence a day program.

C.E.T.A.

Four C.E.T.A. training programs were completed during the year. Programs after school hours were operated with Hopedale C.E.T.A. funding in Plant Maintenance and Welding. These courses had twenty-four participants. Summer programs held under the auspices of Norwood C.E.T.A. provided training for twenty individuals in Electronics and Machine Operation.

STUDENT ADVISORY COUNCIL

The sixteen members of the Student Advisory Council at Tri-County have had a busy year representing the students before the school administration and the School Committee. Representatives have attended the SAC meetings in West Boylston monthly and participated in leadership training sponsored by the Mass. State Department of Education. The representatives were responsible for organizing and overseeing class elections, selection of DAR Good Citizen, Tri-County student identification cards, plus other activities. Together with the class officers, they established an annual School Spirit Award. This award will be presented annually to the class that has the most school spirit.

GRADUATION

Tri-County hosted the family and friends of the graduating class on June 6, 1980. Two hundred forty students received diplomas and trade certificates from Mr. Hoegler, Chairperson of the '79-'80 School Committee. The music was provided by the Southeastern Mass. Community Concert Band and Mr.

James Hall was the soloist. Sharon Courtney of Franklin was the valedictorian and Reverend Griswald of Walpole gave the Invocation and Benediction. Several scholarships were presented to those students continuing their education.

DISTRIBUTED EDUCATION STUDENT IN NATIONAL COMPETITION

Tri-County, which has only been active in the Distributive Education Club of America for three years, was honored to have a senior, Kristin Williamson of Medfield, represent the school at the National D.E. Conference held in Miami, Florida, during the week of June 20, 1980. This is the first time that Tri-County has ever been represented by a student in an education competition on a national level.

Both written and oral activities tested the students' knowledge in Mathematics, Management, Sales, and Human Relations. She was also able to meet and socialize with leaders in the business world.

The guest speaker at the banquet was Frank Borman, President of Eastern Airlines and former Apollo astronaut. More than 5000 students representing every state were present to hear his address.

DRAMA CLUB

The Tri-County Drama Club, under the direction of Ms. Rogier, Mr. D'Attilo, and Mr. Conley, presented a one-act play entitled "Home at Six" for the student body on May 7 and 8, 1980. Student performers were from the senior class only, but in future years the Drama Club will be open to all grades.

The set for the play was designed by the Plant Maintenance Department and was constructed by students in the Painting & Decorating Department. Cosmetology students took on the responsibility for stage make-up; and for costumes, the Drama Club enlisted the aid of students enrolled in Fashion Design.

ATHLETIC DEPARTMENT

Tri-County athletic teams participated in a variety of interscholastic sports, competing in the Colonial Athletic League. This league is comprised of a number of regional vocational schools. The 1980 sports calendar has been an exciting time period for the still developing sports program at Tri-County. There were many individual and team accomplishments during the 1980 sports campaign.

Individually, many athletes excelled in their fields. Jim Thomas of Walpole and Paula DeRois of No. Attleboro were named to the Colonial League's All-Star Basketball teams. Jayne Clive of Medway displayed her fine talents, finishing in the top ten in the 300-yard dash during the Mass. State Track and Field Championships. Peter Rogers of Medfield became the first athlete at Tri-County to have his number retired by the school. Peter led the state in scoring, was named to many of the area's All-Star teams, and was the topic of a feature article which appeared in the Boston Globe.

Team honors in 1980 were captured by the Soccer, Cross-Country, and Spring Track teams. Each team finished first in league-sponsored championships, bringing to Tri-County the school's first championship banners.

The Boxing program hosted the East Coast Junior Olympic Championships last spring. Tri-County boxer Troy Roberts competed in the finals of his class-weight only to lose an exciting match.

On the intramural level, Tri-County students and faculty members participated in tournaments in volleyball, softball, and badminton.

BLOODMOBILES—1980

Tri-County has been actively supportive of the American Red Cross by hosting two bloodmobiles during the 1980 school year. The regularly scheduled blood donation drive in February resulted in 95 pints of blood being collected. An emergency request before Thanksgiving was well received by the staff and students and 69 pints of blood were added to the depleted supply of the Northeast Region.

NEW OFFICERS

In July 1980, the School Committee reorganized and Mr. John Hurley of Medway was elected Chairman. Mr. Sidney F. Hatch of Walpole was elected Vice-Chairman and Mr. Frank DeLucia of Franklin was elected Secretary.

NEW ENERGY CONSERVATION CONTROLS

After a thorough investigation, Tri-County installed a micro-computer which automatically monitors existing heating, cooling, ventilation, and lighting equipment in various locations throughout the building to pre-determined settings.

The computer stores up to seven days' history on building energy consumption, temperatures, and actual per hour costs of operation. A visible check is readily available showing increased consumption and costs in any section of the building which is indicative of waste or malfunction of equipment.

The computer is monitored by a separate relay circuit which answers fail-safe operation. The relay circuit automatically returns all controls to normal settings in the event of computer failure.

SITE IMPROVEMENT

During the month of July 1980, Tri-County School Committee advertised for bidders to install drains around the school football field, prepare the running track for resurfacing, install new track, and reshape several slopes.

Seventeen construction companies submitted bids. The Narragansett Improvement Company of Providence, Rhode Island, was awarded the contract as low bidder. Work began on August 23 and was completed in mid-October.

BUDGET

In Fiscal Year 1980, the assessment to the town of Norfolk was reduced by 41.8%. In Fiscal Year 1981, the assessment was increased by only .5%. In that same time span, the enrollment of Norfolk students increased from twenty-six to thirty-seven; an increase of 42.3%. The present assessment of \$57,238.00 represents a real per pupil cost of only \$1,547.00. We are pleased that the cost is far below any other regional vocational school in the Commonwealth; however, we do feel an obligation to inform you that, because reimbursement monies will be much less in future years, assessments will be higher.

In conclusion, we wish to express our sincere appreciation to all residents of Norfolk for your support of vocational technical education and to assure you that this Committee will continue to provide the best possible educational services at the least possible cost.

Respectfully submitted,
John C. Hurley, Chairman
Melvin C. Long, Norfolk

TRUSTEES OF THE NORFOLK PUBLIC LIBRARY

The year 1980 completed one hundred years of library service in our town.

Our public library was started with a collection of two hundred books. Eighty years later, in 1960, we had a collection of 6000 books, an annual circulation of 7940, with 718 borrowers. In our one hundredth year we have approximately 16,000 books and a circulation of 52,564, and 4000 registered borrowers.

The population in 1960 was 2679 and our 1980 population was 5446 plus MCI population. As the town has seen a great growth increase, so has your public library use increased.

The Children's Wing was added in 1961. At that time the present utilities were installed with nothing major having to be done to them up until this year.

The town is indebted to many civic groups and interested people who have given unselfishly of their time and money for the improvement of the library.

Our sincere thanks to our dedicated staff, who try in every way to serve us better through library services.

Respectfully submitted,
NORFOLK LIBRARY TRUSTEES

100 YEARS OF LIBRARY SERVICE 1880-1980

Along with the regular service of circulation and reference, the library continues:

To utilize the school library as a Public Library Branch. Dorothy Chitty and Frances Flynn introduce the children to the wonderful world of books with planned programs year-round that often attract 80-90 youngsters at a time.

To sponsor for the 8th year the summer neighborhood story hours bringing books and crafts right to the children. This year many thanks to Mary Burns, Bonnie Durand, Mary Sue Forsman, Maureen Howard, Diane Parkinson, Phyllis Partridge, Sharon Stopa, Judy Terrio and Shelby Wilson for sharing their talents with the children.

To bus local music lovers to the Boston Pops at Symphony Hall, arranged by Joan Kenney and Friends of the Library.

To support the Friends of the Library Annual Book Sale in June. This year was a special 100th anniversary day that brought a circus to town and families to the strumming of banjos, ate hot dogs, took chances on generous donations, bought old books, crafts, and baked goods. Everyone had a

piece of the library's 100th birthday cake, created by Barbara Sansom. WJMQ broadcasted the whole event and the hill hummed like the good old days.

With funds raised by the Friends, the library now has family passes to the N.E. Aquarium, the Museum of Transportation and the Museum of Fine Arts. These, with NOVA's generous donation of the Museum of Science pass, make 4 passes available to Norfolk families year-round for free admission and more. Your taxes do not provide them, local generosity does.

To thank NOVA for its support—the Science Museum pass, the Christmas wreaths and this year, \$200.00 for our Town Hill Christmas lights. Also new this year is NOVA's program to purchase and dedicate a book for every new NOVA baby. Many beautiful books have been added to the library's collection to celebrate the beginning of life and the joy of sharing.

To thank the Eastern Massachusetts Regional Library System and their staff. Through them we have inter-library loans, the Bookmobile, workshops, cooperative buying, free films and supportive help.

To thank the Board of Library Commissioners and their staff for their help, State Aid and the L.S.C.A. Title programs. Through a LSCA Title I grant, your librarian received a Master of Science at Simmons College this June, making Norfolk's Library professionally certified by required state standards.

To thank the Trustees for their long hours and support that help the library not only set, but attain goals of excellence with pride as their only recompense.

To congratulate Horace Hamlin on his retirement after many years of devoted custodial service.

As a special 100th anniversary program the library organized "Books Alive", an author/illustrator day held at the elementary schools bringing to town John Bellairs, Norman Bridwell, Juliet Kepes, Sue O'Brien, Marcia Sewall, Florence Temko, Maureen Wartski and Patty Wolcott. Thanks to the support of so many—the schools, TPA and the Friends it was a super successful day. Once again you tax dollar was not used, the generosity of the TPA and the Friends of the Library brought these artists to town.

Norfolk can be proud of its 100 years of library service. Today's library is a blend of the old and the new. We may be little in size, but our service is big.

With 2½ our library is trying to find even more ways to do more with less. When I attend meetings I realize Norfolk is way ahead. We are already sharing and doing what is now suggested communities do to survive. Each of you must do more to keep the library growing.

In our town each of us shares in many ways, but the library is the one thing we share in common, year round. I am proud of our library and its dedicated staff, but also I am proud of you. You keep the library going and with your help the next one

hundred years will surpass the last.

Respectfully,
Jeanne D. Hill
Director

HISTORICAL COMMISSION

This year the Historical Commission erected a sign on Town Hill depicting interesting facts about the history of Norfolk. Our thanks to William Carr and Carol Zajac for their services.

We continued our deed research on several houses in town. In the future, we would like to place more plaques on these houses of historical significance in the Town of Norfolk.

We have started to catalogue all the historical material stored in our safe so that it will be in more useful order for future Historical Commission members.

Next year we anticipate continuing our own research, helping residents in researching their property, and being available to provide information about preservation opportunities for owners of historical buildings.

Charles Weeber
Ann Dmytryck

NORFOLK ARTS COUNCIL

The Norfolk Arts Council was appointed last June by the Selectmen in accordance with a request from the newly formed Massachusetts Arts Lottery Commission. The Arts Lottery Commission will approve or disapprove applications for art related projects submitted by the local councils for their communities. Upon approval, the Commission will allocate arts lottery funds to the conforming arts councils. This funding is also contingent upon community support, both participatory and financial.

In compliance with the Commission's request, the Norfolk Arts Council has worked to collate a directory of residents with talent in the visual and performing arts. The Council is also working to determine the cultural needs and desires of the community. The term of the Council is two years, assuming the Arts Lottery is successful. We are open to any suggestions from residents concerning any culturally related activity, program or performance.

Respectfully submitted,
THE NORFOLK ARTS COUNCIL

REPORT OF THE NORFOLK PLANNING BOARD

YEAR ENDING DECEMBER 31, 1980

The Norfolk Planning Board operates under the authority of Massachusetts General Laws Chapter 41, Section 81. Our Board, with individual members elected every three years, has legal responsibility for municipal planning, including streets, sites for public buildings and structures, building and zoning districts, waterways and public transportation routes. Our major activity is administering the Subdivision Control Law, Section 81K thru 81GG. That law, supplemented by our rules and regulations (on file at the Library and for sale by the Town Clerk), strictly regulates what can and cannot be required of persons who wish to divide tracts of land or build roads.

Our Board will be glad to answer questions regarding roads, land and zoning at no cost to applicants. Our meetings are at 7:30 P.M. on the second and fourth Mondays of every month in the Planning Board Office, second floor, Town Hall. Changes, if any, to meeting times or dates are posted on the Town Clerk's bulletin board in the Town Hall.

In the last calendar year the Planning Board approved four preliminary plans and five definitive plans for subdivisions. Legal notices were advertised in the Chronicle and abutters were notified by certified mail before public hearings for definitive plans. Before each public hearing, we leave a copy of the definitive plan at the Town Clerk's Office for public inspection.

In April our Board held a public hearing with the Selectmen for review of the Zoning By-law changes presented as Articles 39, 40, and 41 at the 1980 Annual Town Meeting.

The Board would like to thank former member David Burchfiel for his fine service. David resigned in February due to relocation outside of Norfolk. Norman Mullaney was appointed to fill his term until May.

Former Chairman Bertrand Rousseau did not seek re-election and left the Board in April. Bert's knowledge and experience have been missed, and we thank him for his excellent service to the town. M. Charles Cheney and Norman Mullaney were elected to the Board in May.

We wish to thank the Town Boards and Commissioners for their assistance. Highway Superintendent F. Arthur Woodworth, Jr., Building Inspector Robert Ravinski, Executive Secretary Marilyn Morris and Town Clerk Eleanor Pearson have been especially helpful. Our Recording Secretary, Marilyn

McCord, is commended for keeping our house in order before, during, and after our paperwork-filled meetings.

Respectfully submitted,
Robert W. Haddleton, Sr.
Chairman
Norman R. Mullaney, Clerk
Einar C. Elbert
Robert E. Larkin
M. Charles Cheney

BOARD OF APPEALS

This Board is appointed by the Board of Selectmen in accordance with Norfolk's By-laws and Mass. General Laws, Chapter 40A. Under Norfolk's Zoning By-laws this Board is also designated as the Permit Granting Authority.

It is a five-member Board with two associate members. The Board sits as a quasi-judicial body whose powers are both conferred by and limited by statute; Mass. General Laws, Chapter 40A and the Zoning By-laws of Norfolk.

Its function is to hear and decide appeals, applications for special permits and petitions for variances.

In June, the Board accepted the resignation of Donna Haddleton as an associate member. Paul Lewis, whose term expired in May, was appointed as an associate member and Marion Cornell was appointed as a member in July.

The Board received 18 applications during the year. Disposition of the applications was as listed: 11 hearings held resulting in 6 variances and 1 special permit. One special permit application after the hearing was withdrawn and 4 petitions for variances denied. One application was scheduled in 1981 and 5 applications were returned to the applicants due to technical reasons.

Fred Pfischner, Chairman
Nancy Connors, Vice-Chairman
Girard St. Amand, Clerk
Paul St. Francis
Marion Cornell
Associate Members
Thomas Fallon
Paul Lewis

ZONING BY-LAW STUDY COMMITTEE

This Committee is appointed by the Board of Selectmen for the purpose of reviewing the existing by-laws within the town, identifying areas in which they fail to provide for the orderly and planned growth of the town, and recommending appropriate actions for improving them. At the 1980 annual town meeting, the efforts of the previous two years culminated in the submission of three articles proposing changes in the zoning by-laws, of which two were adopted by the voters. Since then we have been concentrating on two areas: correction of obvious errors such as typographical errors, incorrect references, etc., in the by-laws, and examination of the advantage that might accrue to the town from provision for some form of cluster zoning. We are also eager to hear from individuals or members of other groups in town who feel that they may have identified problems in zoning matters.

While most of the present members were reappointed from last year, Girard St. Amand was chosen by the Selectmen to replace David Burchfiel, a member of long standing whose contributions will be missed, as will those of Dana Petersen, who was forced to resign this year because of his heavy business schedule.

Respectfully submitted,
M. Charles Cheney
Girard St. Amand
Donna Castellini
Elnar Elbert
Theodore Majkut
David Waters
Dana Petersen

EARTH REMOVAL ADVISORY COMMITTEE REPORT

The Earth Removal Advisory Committee completed the first major step in simplifying the Earth Removal By-laws and permit applications. At the 1980 town meeting the by-law changes were adopted and subsequently approved by the Attorney General.

During this same time frame a system for permit applications and field monitoring was instituted. Several weak areas were discovered and corrected before the March 31 deadline. The Committee continued to further clarify the permit procedures and oversee the various removal operations. This Committee is currently formulating a step by step procedure for permit applications, applicability of various restrictions, plus alternate methods of monitoring removal operations.

In the next few years we foresee the removal of in excess of 500,000 cubic yards of gravel. The continued monitoring and cooperation of the removal operators should prevent any adverse effect to the community as a whole.

DOWNTOWN REVITALIZATION STUDY COMMITTEE REPORT

Over the past year the Committee has directed its efforts in establishing a base from which a revitalization plan for the downtown area could be drafted. Initially, this included studying the revitalization plans of other communities as well as holding meetings with and learning as much as possible from groups and professionals involved with community planning. Early in the spring a meeting was held with town officials, businessmen and property owners in the downtown area. Through use of a slide presentation and open discussion, all present agreed with the need for the general refurbishment of the storefronts on Rockwood Road. With pledges of cooperation and support the Committee went forward with the preparation and submittal of an application to the Metropolitan Area Planning Council for a fully funded study of the revitalization needs of the Norfolk downtown area.

We were very pleased to be notified in June of the acceptance of our application and the award of a grant totaling approximately \$20,000 for the preparation of a master plan for the downtown area including storefront design, vehicular and pedestrian traffic flow, and landscape design. Also included is a market survey that can be used to evaluate the viability of investing in the Norfolk downtown area. MAPC plans to start the project in February, 1981, and estimates that it will take approximately six months to complete.

Financing for the revitalization projects has been investigated through the Norfolk County Development Council, the National Endowment for the Arts, the Massachusetts Government Land Bank and the Massachusetts Executive Office of Communities and Development. EOOD sponsors the Commercial Area Revitalization District Plan (CARD). After a meeting with a CARD representative in September, a pre-application was prepared by the Committee to establish the eligibility for financing assistance for established projects in the Norfolk downtown area totaling \$250,000 or more. It now appears that assistance may be available if a specific project was submitted.

Throughout the coming year we will be working closely with the Metropolitan Area Planning Council, town officials and business and community leaders in the completion of the Norfolk Downtown Revitalization Master Plan. With the cooperation already expressed by those involved, we are looking forward to an interesting and rewarding year ahead.

Respectfully submitted,
Stephen Olson, Chairman
Celeste Hankey
Linda Spink

Barbara Little

NORFOLK SEWER STUDY COMMITTEE

The Sewer Study Committee has been primarily involved with tracking the State and Federal agency review process concerning a Step I Facility Plan grant application. The application was submitted in January, 1980, and will support the preparation of a comprehensive wastewater management plan for the town.

After a federal freeze on grant awards was lifted this fall, the Committee's consultant, LEA Inc., received and responded to all comments and questions on the proposed project.

A combined Environmental Protection Agency/Division of Water Pollution Control grant award (90%) is anticipated in February, 1981. The project will be initiated in March, 1981, with completion scheduled for twelve months from the starting date.

Respectfully submitted,
William Ring, Chairman
Deborah Brogan
Michael DelGrasso
David Waters
Steven Wirtes

INSURANCE ADVISORY COMMITTEE ANNUAL REPORT

The Insurance Advisory Committee has developed bid specifications details and procedure for securing competitive bids for the town's insurance coverage. This procedure will be utilized for the 1982 fiscal year.

Edmund V. Silk, Chairman
Joseph Donohue, Secretary
Dallas Knight

PERSONNEL STUDY COMMITTEE

The Personnel Study Committee presented to the Board of Selectmen a Personnel By-law for the Town of Norfolk; which, if accepted at the town meeting will establish a personnel system to include policies and procedures and wage classifications for all town employees.

In addition, this Committee spent numerous hours completing a Personnel Handbook which will also be presented to the town meeting for approval and acceptance. In preparing for wage classification, the Committee completed and developed job descriptions for each town position.

The Personnel Study Committee also assisted the Board of Selectmen, as well as the Advisory Board, in salary and wage comparisons in other towns for the annual budget review process.

Respectfully submitted,
Jo-ann Connolly
Marilyn S. Eden
Barbara Enos
Robert Partridge
Kenneth Preston
Personnel Study Committee

CARPOOL INFORMATION

Anyone in town may submit his name to the town carpool register.

At the time of the 1980 Annual Town Meeting, fifteen people indicated an interest in some kind of ride-sharing plan. Although this is a very modest participation, it's a start; the structure for receiving this information is in place in our town. The list is retained at the office of the Town Clerk. As gas becomes more expensive, more people will turn to sharing rides. Listing your name, location and hours of work is one way of finding a carpool.

Literature instructing interested Norfolk residents as to how to become a part of Greater Boston Area carpool listings and how to organize Vanpool leasing groups is also available downstairs at the Town Hall.

Join a carpool; save money and gas!

Respectfully submitted,
Catherine D. Zeigler,
Norfolk Carpool Coordinator

BOARD OF HEALTH

Again this year the Board of Health has increased its activities. The town is continuing to develop.

96 Disposal Work's Construction Permits
18 Disposal Work's Installers Permits
12 Septic Removal Permits
13 Food Service Permits
10 General Permits
37 Well Permits

Other activities of the Board of Health include: Food Service Inspections in conjunction with the State, of all Food Service Establishments. A licensed sanitarian, Robert Cooper, was hired by the Board of Health on a fee for service basis and all Norfolk Food Service Establishments have been inspected and are now meeting or exceed minimum sanitary requirements as established by law. These establishments will be periodically reinspected throughout the year to ensure compliance.

There has been a dramatic increase in housing and other demands for permits. Throughout this year the Board has received many requests for septic tank locations. Bill Domey, consulting engineer to the Board of Health, has, under the Board's direction, seen to the strict and uniform enforcement of regulations governing the proper engineering and installation of septic systems in our rapidly developing town.

Well Water Regulations were also implemented by the Board on April 1 of this year to ensure that new wells are properly sited on the property and that they produce an adequate supply of quality water for households not on town water. A copy of the adopted regulations may be obtained from the Board. Town water is also a concern of the Board and although information is scant the Water Department has been keeping the Board informed as to the TCE content of the water at various test locations around Norfolk. The long term risks of TCE are at this time unknown, although EPA guidelines are being followed.

Hazardous waste disposal was another area of concern to the Board of Health and several complaints were registered. These complaints were subsequently investigated by the Board and the Commonwealth's DEQE. In each instance appropriate action was taken by the Board or DEQE and all situations were resolved satisfactorily. Donna Gilbert represented the Board of Health at a conference in June sponsored by the Attorney General's Office in conjunction with DEQE concerning hazardous waste. "

Additional activities of the Board include an Influenza Vaccine Clinic in November and a Rabies Vaccine Clinic in March. The Visiting Nurse Association continues to render excellent care to many Norfolk residents. Nursing visits, physical therapy, health promotion visits and Home Health Aide visits increased dramatically this past year. The Board salutes the Visiting Nurses and Health Aides who service our community.

In November, David Waters was elected to the Board. Donna Gilbert was elected to serve as Chairman and John Orlando was appointed Clerk.

In an effort to more effectively serve the public, the Board of Health now has its own phone and message recorder. Concerns and complaints may be registered by calling the following number: 528-7747. The Board of Health office is located at the Town Hall and is open from 9:00 A.M. to 1:00 P.M. on Mondays, Tuesdays, Thursdays and Fridays, and 9:00 A.M. to 12:00 Noon on Wednesdays. The Board of Health Secretary, Janet Prevett, is present in the office during these hours. The Board of Health meets on the second Wednesday of the month at 7:30 P.M. at the Town Hall.

Respectfully submitted,
Donna Gilbert, Chairman
John Orlando, Clerk
David Waters

COUNCIL ON AGING

The Council on Aging is made up of seven members appointed by the Board of Selectmen and an undetermined number of associates, appointed by the Council. The Council employs an Executive Director who works from an office at the Town Hall five mornings each week. The Executive Director is also the Nutrition Site Manager and directs services and activities such as legal aid, dental aid, clinics, transportation, fuel assistance, education, information, referrals, personal contact, and recreation. The Council's function is to identify the needs of the Norfolk residents who are 60 years of age or older and to provide the services needed through the town, legislation, grants, and policy-making.

During this year the Franklin Senior Transportation Network has provided transportation for shopping and pleasure trips, visits to the Centennial School and Drop-in Center for lunch, medical appointments by Maxi-van, which is equipped for the handicapped, and taxi service at reduced rates. They are providing approximately 540 trips per month to Norfolk seniors.

The Council's monthly newsletter is now being printed by Senior Citizen Publishing, Inc., of Allston at no cost to the Council on Aging. A contest was held to determine a name for the masthead. *The Silver Set Gazette* was chosen as our new title. A \$10.00 gift certificate was sent to the winner. This newsletter is sent to every resident 60 years of age or over and contains pertinent and important news for the recipients. It is our most direct link with Norfolk's elders.

The Drop-in Center is open every Wednesday year round. A hot lunch is served at 12:00 noon each week and the seniors are often entertained with varied programs at 1:00 P.M. People need not attend the lunch to attend the programs. Arts &

Crafts programs are scheduled during the year on Wednesday mornings.

Monthly blood pressure clinics with the visiting nurses in attendance draw 50 to 60 people each month. An influenza and pneumonia clinic was held in November with 83 vaccinations given.

Lunches are being provided by the Centennial School cafeteria at a low cost. They are available each school day by reservation, but transportation is offered only on Tuesdays.

Eight bus trips were provided to places of interest and enjoyment. As many elderly do not drive at all and many others do not like to drive very far, these trips are anticipated eagerly.

Several parties were held during the year, including a Chicken Barbecue sponsored by the Recreation Commission and the Council on Aging. Chef Bud Allen again volunteered his excellent services and we wish to thank him and the other volunteers who made this affair a huge success. Holidays were celebrated throughout the year with special events and party decor.

Council members represented the Norfolk Council on the Board of King Philip Elder Services, the Mandated Home Care Corporation for a twelve-town area, which includes Norfolk. Close touch is kept with this Corporation, since they provide many of our services.

The Telephone Reassurance Program is still available for those requesting it.

The Council on Aging received a grant from the Department of Elder Affairs to purchase the necessary equipment to begin two nutrition programs. One is the On-site Program in the vestry of the Federated Church. The workers at this program provide a hot lunch at noon every Wednesday of the year. Council members and associates have worked cheerfully and diligently at the Nutrition Site. They render a pleasant atmosphere and follow government regulations. The tables are bright with colored tablecloths and fresh flowers. It is only through the work of these volunteers that the Site can operate so well. The other program provides home-bound senior citizens with a hot lunch five days per week. Volunteer drivers are paid mileage reimbursement to deliver the meals to the home-bound. We average 58 in attendance on Wednesday and 11 home-bound meals per day. There is a 75¢ donation suggested for each meal. This has proved itself a needed service and we feel it is successful.

The Self-Help Fuel Assistance Program got under way in December with the intent to provide help to those who fall within the income guidelines. Many applications were completed and many enquiries answered by the Executive Director, Carol Belcher, who acts as Energy Coordinator for Norfolk's elderly.

Bette Alemazkoo resigned her position as Executive Director in February of 1980. Bette moved away from Norfolk and has been missed by all those who came to love her and depend on her. Carol Belcher was hired by the Council on February 12, 1980, to act

as Executive Secretary. She was promoted to Executive Director in September, 1980.

Two new programs were started in this past year. A legal aid program is provided for through a grant and is coordinated by King Philip Elder Services. An Attorney is available on the 4th Wednesday of each month at the Drop-in Center to meet privately with clients who need his services. All types of cases are heard. Home visits to the home-bound can be arranged. Many of Norfolk's seniors have used this service, which is free of charge to them.

A Denture Program provides for reduced fees for full dentures. This program is sponsored by the Massachusetts Dental Society. A prospective patient may call the Council office for a list of local dentists who have agreed to join this program together with an application form. Ultimately, the reduced fees will be determined between the dentist and the patient. Several seniors have used this service.

The Friendly Visitor, Dorothy Molloy, is again making calls on our home-bound seniors. Her visits are made possible by funds left from the Nutrition Program grant.

A resignation from the Council was received from Mary Gibson in May and it was accepted with regret. Elinor Pearson was not reappointed by the Board of Selectmen due to her busy schedule in town government. Leslie Lincoln and Elizabeth Swenson were appointed to the Council in the fall. Carol Fletcher and Margaret Burrows became associate members. We look forward to a long and pleasant relationship with them all. The Council meets each month on the third Monday at 9:30 A.M. at the Town Hall. Norfolk friends are invited to attend any of these meetings. We feel this has been a busy and very rewarding year for the Council on behalf of the seniors of Norfolk.

HOUSING AUTHORITY

The Norfolk Housing Authority is a non-profit agency established under Chapter 121B of the General Laws of the Commonwealth with the responsibility of administering public housing programs to meet the needs of elderly citizens of low income and handicapped persons.

With the assistance of the Massachusetts Executive Office of Communities & Development (EOCD), the Housing Authority works to provide decent, safe and sanitary housing through its program. The Authority's governing body is a five (5) member board of commissioners of which four (4) members are elected by the townspeople of Norfolk and the fifth member is appointed by the Governor. Day-to-day operations of the Housing Authority are conducted under the direction of the Executive Director. The Director, Maintenance Supervisor and Accountant are all part-time paid employees of the Authority.

The income limits presently are \$8680 for a single person and \$9920 for a couple who wish to make application to Norfolk's Elderly Housing Project. Maximum assets may not be more than \$15,000. To be eligible an applicant or spouse must be 62 years of age or over, and there is no age requirement for a disabled or handicapped person. There is no requirement for residency to be eligible for housing with the Norfolk Housing Authority; however, preference is given to those living in Norfolk.

Strict adherence to the waiting list is adhered to with the exception of a Priority Rating. Priority is given in certain instances; i.e., displacement by natural forces such as fire, flood, eminent domain taking, earthquake, etc., or medical or social problems which make an applicant's present housing inappropriate. It is the policy of the Norfolk Housing Authority to see that each individual, regardless of his race, color, religion, creed, national origin, sex, age or ancestry shall have equal opportunity in or access to housing or employment with the Authority.

A local housing authority is required by law to establish uniform standards and procedures for tenant selection and tenant transfer. An application can be received by mail or the Director may assist the applicant in completing the application form in the office. The applicant must supply all data and information necessary to enable the Authority to determine whether the person meets the conditions for admission. A standard application throughout the state is used.

In 1980 five tenants were admitted to Hillcrest Village, slightly lower than our yearly average of ten. Presently there are 44 women, 11 men and 9 couples in our 60 elderly and 4 handicapped units. The average age is 75 and an average rent of \$100 per month is collected. Rent is determined when a tenant moves into the project and once a year thereafter. The Authority must adhere to the regulations prescribed

by the EOCD. A tenant pays rent of slightly less than 25% of his/her monthly income.

VISITING NURSE ASSOCIATION

The following are the visit statistics for the year 1980:

Home Visits

	Cases	Visits
Nursing - morbidity (illness/injury)	40	552
Health Guidance	40	50
Assessment	7	12
Physical Therapy	10	168
Home Health Aid	6	212

Nursing supervision, instruction and orientation of these aides is provided.

Office Visits

	Cases	Visits
Nursing - Morbidity	2	12
Health Guidance	14	24

During the period from January 1, 1980, to December 31, 1980, there were 10 Blood Pressure Clinics for Senior Citizens. From a total attendance of 374, 98 cases were served. Seventy-four senior citizens attended a Flu Clinic and 3 attended the pneumonia clinic.

Norfolk residents were included in 2 general immunization clinics held in Medfield. There were 15 immunizations administered to 12 people.

TB testing materials were provided to local schools. Assistance with school TB screening programs for faculty and personnel was provided. Mantoux testing (TB) is done in the VNA office by appointment and we arrange for follow-up X-ray, if necessary.

Lead Paint Poisoning Tests, for newborn children to six years of age, is available in the VNA office on the 3rd Monday of every month from 1:30 - 2:30 P.M.

Sick room equipment was loaned to 20 patients.

Communicable disease was investigated, reported and followed-up.

Newborn babies were visited when referrals were received. There was follow-up when necessary.

The Visiting Nurse Association of Dover, Medfield, Norfolk, Inc., receives a large number of telephone requests for advice, information, and referral. Its staff attends in-service education, seminars and

community facilities such as hospitals, Elder Care Corporations, Councils on Aging and Nursing Homes. It also prepares statistics and other reports for local, state and federal agencies.

On April 1, 1980, the VNA began providing extended hours coverage by an "on call" beeper system. During regular hours, which are 8 A.M. to 5 P.M. Monday through Friday, we may be reached on the office telephone at 359-8505. During extended hours, which are 5 P.M. to 9 P.M. weekdays and 8 A.M. to 9 P.M. weekends and holidays, we may be reached on the beeper at 359-2315.

Our present staff is as follows:

Head Nurse-Admi. Mrs. Arlene H. Whitney, RN
Staff Nurses Mrs. Marilyn Whelan, RN

Mrs. M. Whitney Robbins, RN

Mrs. Carolyn Moss, RN

Physical Therapists Mrs. C. Shoop, RPT

Mrs. Christene Gould, RPT

Office Secretary Mrs. Betty Bratsos

Nursing Supervisor Mrs. Hallee, BSN

(Provided by contract with Walpole VNA)

Home Health Aides are provided by contract with the Norfolk-Bristol Home Health Services, Inc. of Walpole.

NORFOLK MENTAL HEALTH ASSOCIATION, INC.

The many individuals and families in Norfolk who have received our services have come to us only after trying every other means possible to solve their problems. In the last year, the crises and needs that have been presented to us have been notable for their increased seriousness and sense of emergency. Many more families have come with the extra pressure of unemployment or simply not being able to make it in this inflationary time and this extra pressure on top of other severe family issues have often created a very severe situation. Many more cases of suicidal depression, violence, debilitating alcoholism, run-aways, drug abuse, destructive behavior, and severe anxiety have been presented to us. And of course whole families are affected by these problems, not just the "patient".

During the fiscal year from July 1, 1979, to June 30, 1980, we served 24 families. In terms of individuals, you can assume at least double that number since so many of these cases include multiple members of the family. Of face-to-face counseling, 547 sessions were given, compared to 409 the previous year, an increase of 34%. We are now preparing more detailed service and cost statistics for you and your committees so you can more fully understand the very significant services we deliver to your citizens for a very small allocation.

We would be happy to discuss these services with you and in fact would appreciate the opportunity. Local residents of Norfolk who serve on our Board of Directors and take an active role in planning and

monitoring services, management and finance are Marilyn S. Eden and Lowell R. Kantzer.

Sincerely
Dorothy M. Uhlig, Ed.D.
Executive Director

VETERANS' SERVICES DEPARTMENT

Veterans' Services are mandated by State General Laws, Chapter 115, Section 5 which provides for the payment of aid to eligible, qualified veterans.

The function of this office is to assist all Veterans of all wars, their dependents, widows or children who may need financial aid or have questions regarding Veterans' benefits.

Many requests were received for information on GI schooling, hospitalization benefits, allotments, pensions, Unemployment Compensation and Disability payments.

Several cases were processed because of unemployment or sickness.

The Town of Norfolk is reimbursed at the rate of 50% by the State.

Respectfully submitted,
Arthur T. Sullivan
Veterans' Agent

SOUTH NORFOLK COUNTY ASSOCIATION FOR RETARDED CITIZENS, INC.

SNCARC hopes that its accountability and primary dependency will continue to be to our communities rather than to state and federal bureaucracies with little knowledge of or demonstrated sensitivity to local needs. Our continued work to meet a mutual responsibility depends heavily on stable local backing. Clearly the work of SNCARC to take care of those unable to care of themselves is an essential service.

The many years of cooperation and mutual support between SNCARC and the Town of Norfolk has borne much fruit. SNCARC provides programs and services for school age children, as well as for adults and infants, and thereby directly complements and enhances the effectiveness of school programs. These include respite care to families, camperships of mentally retarded children, special needs recreation and social programs after school, training and counseling services for parents and siblings, psychological assessments, and a volunteer "citizen advocacy" program.

SNCARC SERVICES TO THE TOWN OF NORFOLK, 1980

Program	No. of Clients	FY '80 Cost
Early Intervention	2	3,941
Norfolk Industrial Services	3	15,463
Developmental Achievement Center	1	5,154
Special Therapy Services	5	2,444
Respite Care/ Family Support Services	8	2,720
Social/Recreational/ Transportation/ Citizen Advocacy Services	10	<u>3,467</u>
	TOTAL	<u>\$33,189</u>

*NOTE: SNCARC programs and services are established in accordance with the provisions of Chapter Nineteen in cooperation with the Department of Mental Health. SNCARC programs and services are licensed and monitored by the Department of Mental Health and are developed in cooperation with the Department of Mental Health Area Board for the South Norfolk Area. The Area Board, by law (MGA, Chapter Nineteen), must include at least four members of the local Association for Retarded Citizens. The support from the towns is for the relief, support, maintenance, care and training of mentally retarded citizens living in those towns. This support provides outpatient clinical and cooperative and complementary services as in accordance with the provisions of Chapter Nineteen.

- **PESTICIDE CONTROL STUDY COMMITTEE**

CONSERVATION COMMISSION

The year of 1980 saw increased activity for the Conservation Commission in two areas: enforcement of the Wetlands Protection Act and acquisition of land for the purpose of preserving open space.

Money from the Conservation Fund was used to purchase 6.5 acres near City Mills, a parcel that includes Comey's Pond. A second purchase included 20.2 acres of surplus railroad property located off Grove Street. Another 5 acre parcel in the same area was donated to the Town for conservation purposes.

Action under the Wetland Protection Act included public hearings for projects in the Pheasant Hill, Maple Park Estates and Old Cape Cod Estates subdivisions.

In Old Cape Cod Estates, located between Medway Street and Medway Branch, the wetland being impacted is within the cone of influence of the Town's well field. Protection of water quality in the wetland, which will receive most of the storm water from the subdivision, was a major concern to the Commission. Therefore, a hydrologist was hired to help draw up an Order of Conditions regulating construction of the street drainage system. A monitoring system to measure changes in the salt content of groundwater was also established.

In early spring, the Commission held another roadside cleanup day. With the help of NOVA, The Anvils, Scout troops and dozens of other young volunteers, more miles of roadside were cleaned up and more loads of trash were collected than on any previous cleanup day. The efforts of all who volunteered their time and the contributions of area merchants are gratefully acknowledged.

RECREATION COMMISSION

The function of our Commission is to oversee a continuing recreation program for the town of Norfolk. In doing so, we seek out and receive the help of many dedicated people.

Recreation continues to sponsor the Senior Citizen Barbeque, Summer Tennis Instruction, Girls' Softball, Little League, Pony League, Norfolk Youth Football and Cheerleaders, a Co-ed Basketball Clinic and a Learn-To-Skate program.

We continue to provide a four-week instructional swimming program for beginners thru Senior Life Saving at the Town Pond. The pond is supervised by lifeguards throughout the summer. A two-week Arts and Crafts Program is held at the Centennial School in the later part of the summer.

With our growing programs, Recreation is still in need of more ballfields and better swimming facilities.

Respectfully submitted,
Carol MacRae
Robert MacCarthy Wylie
Maria Connolly
Dana H. Ritchie
John A. Finase

WATER DEPARTMENT

The big event of the year for the Water Department was the completion and putting on line of Norfolk's first well. The land for this well field was originally purchased in 1952. At that time it was clearly shown to the Water Board that they should reserve land for a future well field.

Now that this first well is in production, it is again necessary to find an additional good well field and purchase the site for the future expansion of the system. Our engineers, Dufresne-Henry, Inc., are currently testing various locations in the Town.

As our water system is expanded, the construction of a stand-pipe becomes a necessary part of a reliable water system. A central site near the center of the town was picked by our engineers, again about 15 years ago. The present owners of this site are in the process of donating this land to the Town. At this time we are using the standpipe of the Wrentham State School as a back up in the event of a serious fire. This is far from an ideal situation as it is located at the extreme end of our system on the School's property in Wrentham.

Another first for the Water Department was the adoption on November 1, 1980, of a computer system for billing. This program is sponsored by the Norfolk County Commissioners and our only costs are the expense of labor to produce the bills and the necessary materials. This new system gives the Water Board and the Collector weekly printouts of our accounts and it is working out very well.

We have been ordered by the State Department of Environmental Quality Engineering to run constant metered flow tests to determine the TCE contents, if any, of various locations in the Town. Obviously this is wasting a great deal of water during an area-wide drought. This water flow means we are pumping a great deal more water than is being used by our customers and paying a power charge for this from which we derive no income. The Water Board is going to review this with the Department of Environmental Quality Engineering to see if this can now be eliminated.

The operational expenses of the Water Department are paid for from the income of the Department.

Due to the coldest winter in 105 years we have had several freeze-ups which have caused a great deal of additional work on the part of the Superintendent and his crew.

There are now 22.6 miles of water pipe in the system. There are over 900 water takers. We are pumping approximately 225,000 gallons per day.

The Board of Water Commissioners wishes to take this opportunity to acknowledge and thank all of the departments of the Town who unselfishly support and assist this department throughout the year.

The Water Department office is open from 9:00 A.M. to 12:00 Noon, Monday through Friday. A recording service is on the phone line, 528-1412, 24 hours a day, for your convenience. In an emergency you may call the Police-Fire Dispatcher at 528-3206.

Pesticide Control Study Committee

Thomas Gilbert
Cynthia Thomas
Lindsey Martucci
Virginia Graves
John Townsend
Beverly Panettiere

PESTICIDE STUDY COMMITTEE

The Mosquito Control Study Committee became the Pesticide Study Committee in 1980 due to the need for consideration of all forms of pesticide use in Norfolk. Because there is a growing concern over the safety and efficacy of pesticide use, the Committee turned its attention to the possible use of biological control methods.

In its attempt to study the mosquito problem and recommend alternative control measures, the Committee investigated two approaches it had proposed the previous year. Five families in Norfolk chose to use dragonflies in their yard to help reduce the mosquito population. The results were mixed.

Through the generous donation of an anonymous individual, there was an experimental stocking of several mosquito breeding areas in Norfolk with top feeding minnows. The experiment was conducted by Sea Plantations, Inc., of Salem, Mass. The results were summarized as follows: "Experimental data based on a twenty-site, 3 month study shows that biological mosquito control, utilizing a combination of fish seeding and habitat management provides a safe, effective, cost competitive alternative to chemical pesticide application programs." The program would achieve maximum benefits in three years after its inception. The Committee is currently considering these and other alternative methods of mosquito control.

For gypsy moth control, the Committee continues to recommend scraping off egg masses into a container and burying them and in May tie a band of folded burlap around the trunk. Every day pick the caterpillars off and destroy them. If an individual property owner wishes to use additional controls, the Committee, following the lead of the State Department of Environmental Management, recommends the spraying with BT (*Bacillus Thuringiensis*) which can be purchased under the trade names Dipel or

Town Accountant

To the Board of Selectmen:

As this is my final "Annual Report" as your Town Accountant, I take this opportunity to publicly thank all Boards, Committees and Department Heads, and especially the dedicated staff of the Accounting Department, for your cooperation and support. It has been my pleasure to serve you and the Town of Norfolk in my capacity as Town Accountant for the past twenty-three years.

I herewith submit the Annual Report of the Town Accountant for the Fiscal Year ended June 30, 1980, in accordance with Chapter 41, Section 61 of the General Laws of the Commonwealth.

This includes the following schedules: —

Report of Receipts, classified and detailed

Report of Expenditures, classified and detailed (including Federal Revenue Sharing and Federal Grants expenditures)

Report of Appropriations and Expenditures, by Account Title, including Federal Revenue Sharing and Federal Grants appropriations. This report also shows expenditures for two prior fiscal years, for comparison purposes.

Analysis of Unexpended Appropriation Balances

Report of Water Department, showing net profit or loss on a cash basis

Report on Status of Water Estimated Receipts

Statement of Outstanding Debt, with Schedule of Repayment

Balance Sheet: —

For General Accounts

For Federal Revenue Sharing Accounts

For Debt Accounts

For Trust Accounts

Respectfully submitted,
William F. Coughlan
Town Accountant

For Period July 1, 1980 to June 30, 1981

PRELIMINARY REPORT

Voted at Town Meeting May 1980, Article 2, to transfer from Water Estimated Receipts:

Operating Expenses:

Salaries	\$24,526.00	
Expenses	15,300.00	
Gasoline and Utilities	1,420.00	
Purchase of Water (includes operation of Pumping Station)	10,000.00	
		\$51,246.00

Capital Expenditures:

Repayment on Principal of Loan	\$4,600.00	
Interest on Loan	3,043.00	7,643.00

Amount owed to Town for 1980-81 Appropriations	\$58,889.00
Less — Surplus from prior report as of June 30, 1980	28,327.91
Deficit (owed to Town) as of July 1, 1980	\$30,561.09

NOTE: Following appropriations at May 1980 Town Meeting not included in above, as they are not transfers from Water Estimated Receipts:

From Federal Revenue Sharing Funds:

Article 2, Section X C:	
Repayment of Principal on Loan	\$18,400.00
Interest on Loan	12,172.00

From General Revenue Funds:

Article 36:	
Drilling & Testing New Wells	20,000.00
	\$50,572.00

Report of Treasurer

The Treasurer's Department carried out the following responsibilities and functions:

1. Receives, takes charge of and accounts for all monies belonging to the town.
2. Pays over all monies due in accordance with order from the Town Accountant and Board of Selectmen.
3. Maintains cash books reflecting breakdown of all receipts, disbursements and cash balances.
4. Negotiates all borrowing.
5. Has custody of all Trust Funds.
6. Maintains Tax Title Accounts, conducts sales of land of low value (\$2,500 and less), purchases, for the Town, land not sold for taxes and petitions state land court to establish clear title on tax title property.
7. Prepares various year-end reports.

The past year has been a very productive year for this department in that the following items should be noted:

1. Large amounts of interest income were generated during the year by investing idle cash in high yielding investment securities.
2. The Town did not have to borrow any funds from the banks in anticipation of tax revenues.
3. Completion of sale regarding the tax title foreclosure sale of privately-owned hockey rink. This property was foreclosed upon by the Town and subsequently sold at auction in July, 1979 for \$150,200.00. This represents a recovery of all taxes, interest, land court charges and other selling costs of the auction.

In order to prevent duplication of figures in the Town Report, the Treasurer's Report has been summarized. For a complete analysis of the Treasurer's Receipts and Expenditures, please refer to the Town Accountant's Report.

Respectfully submitted,
Thomas P. Crane
Treasurer

Treasurer's Report FOR THE FISCAL YEAR ENDED JUNE 30, 1980

	\$1,719,271.55	\$94,737.09	\$307,351.59	\$50.50	\$529.39	\$50,094.10	\$742.30	\$37,352.92		\$38,457.65	\$3,709.20		\$5,947.37

Interest, fees and Certificate of Municipal Liens turned over to Treasurer \$13,382.75.

Elinor H. Pearson
Collector of Taxes

Board of Assessors

To the Citizens of the Town of Norfolk:

During 1980 many important milestones were reached by the Assessors Office. The revaluation was completed and implemented; Chapter 797 of the Acts of 1979 (Property Classification) was implemented and certified by the Department of Revenue; beginning this year and continuing hereafter the appraisals and maintenance of real and personal property will be fully automated; all three Assessors were certified by the Department of Revenue as meeting the new education requirements for Assessors of the Commonwealth. This requirement is imposed by statute on all Assessors within the State and each Assessor must so qualify before the Board can set a tax rate.

The Board is currently evaluating the effect of Proposition 2½ on Norfolk and the problems that will arise upon implementation. The reduction of the Motor Vehicle Excise from \$66 per thousand to \$25 per thousand will have an immediate financial impact on the estimated receipts for FY 81 because 62% of the bill for calendar year 1981 will be collected before June and will result in about a 50% short fall. The financial impact will continue in FY 82 when estimated receipts for this category will be severely reduced. The positive effects of Proposition 2½ will help the Town cap expenditures for services, not only on the local level, but on the county and state level as well. It will certainly help to have the MBTA assessment for Norfolk limited to 4% after we have suffered increases of 25% over the past years.

The Assessors of the Town of Norfolk herewith respectfully submit their report for the year ending December 31, 1980.

Total appropriations to be raised by taxation	\$3,988,879.18
Total appropriations to be taken from available funds	204,365.00
Deficits due to abatements in excess of overlay of prior years	1,174.85
School Lunch Program	5,112.00
Elderly Lunch Program	1,091.00
Free Libraries	2,980.00

	Estimated Fiscal 1981	Underestimates Fiscal 1980	
County Assessments			
County Tax	\$59,250.83	\$ -	
County Hospital	1,565.55	-	
Total	\$60,816.38	\$ -	\$ 60,816.38
State Assessments			
Special Education	\$ 5,685.00	\$ 1,851.00	
Audit of Municipal Accounts	2,260.90		
Motor Vehicle Excise Bills	769.80		

It is becoming increasingly more difficult for a part-time Board to keep up with all the work legally required of this office and the implementation of new laws passed by the Legislature.

Mr. John Robbins was elected to the Executive Board of the Massachusetts Association of Assessing Officers and retained his position as Treasurer of the Norfolk/Suffolk Counties Assessors Association. Mr. Zagieboylo was reelected to the Norfolk/Suffolk Counties Assessors Association Executive Board.

The tax rate, set with the implementation of the new revaluation figures, is \$25.30. This reflects only a 30¢ increase over the mandates of Proposition 2½.

We express our appreciation to all other Town Officers and our secretaries, Mrs. Larochelle and Mrs. Murray, for their faithful service. The Board is also indebted to Selectman Alan Mackey for donating a microfilm reader/printer to our office.

Respectfully submitted,
 John H. Robbins, Jr., Chairman
 John W. Evans
 Walter Zagieboylo

(*This includes 1979 Motor Vehicle excise committed in 1980)

Total amount abated for 1980 — \$69,863.22

(Real Estate, Personal, Veterans, Clause 17, 18 and Elderly Exemptions)

Advisory Board

The primary function of the Advisory Board is to review all articles involving the appropriation or expenditure of money that may appear in any Town Warrant and to report in writing such recommendations that it considers in the best interests of the town. The Advisory Board may also review and make recommendations on any other article that may appear in the Warrant. In addition, the Advisory Board also has exclusive control of the Reserve Fund, established to provide for extraordinary or unforeseen expenditures, and voted each year at the Annual Town Meeting.

The Board consists of nine members each appointed, without remuneration, by the Moderator for a three year term. The members chosen are citizens of the town, none of whom hold any office, elective or appointive, in the town other than membership on this committee and the Capital Outlay Committee. Thus, the Advisory Board is *your* board — a citizens review board of the town finances.

During the past year your Advisory Board has met on several occasions for organization and committee assignments, to act as liason to specific town departments and committees. Members also attend meetings with these departments as the need arises and in some instances on a regular basis. The Board has also met when a request for a Reserve Fund Transfer was received from an individual department. For FY 1980 these times are shown on the attached schedule during

which a total of \$11,814 was approved for transfer. In the fall, your board participated in a budget discussion meeting with other town departments to discuss the impact of Proposition 2½ on the town and to prepare for the coming budget review process. In late November, the Advisory Board called a meeting of all town committees and departments which it is permitted to do under Town By-Law and discussed the budget submission and review procedure.

The major task of your Board began the first week in January at which time the actual review of the budget requests of the various town departments began. The schedule required meeting at least once a week with the various department and committee heads requesting appropriation. These meetings were held from January through the end of March. Due to Proposition 2½, this year your Board will also require a complete review of all budget totals with a review of the recommendations to ensure that we are within the limits mandated by the new law. It is the hope of the Advisory Board that this extra effort will enable the Annual Town Meeting to proceed smoothly without too much "self interest" and that our fellow citizens of Norfolk follow up their support of Proposition 2½ with a show of support at the Town Meeting.

**WARRANT
SPECIAL TOWN MEETING
COMMONWEALTH OF MASSACHUSETTS
May 8, 1981**

NORFOLK, SS.

To: either Constable in the Town of Norfolk, in said County,
GREETINGS:

You are hereby required in the name of the Commonwealth of Massachusetts to notify and warn inhabitants of Norfolk, qualified to vote in town affairs, to assemble in the King Philip Junior High School North on May 8, 1981, at 7:15 p.m., then and there to act on the following articles, viz:

SPECIAL TOWN MEETING

ARTICLE 1

To see if the Town will vote to raise and appropriate, borrow or transfer from available funds the sum of SEVENTY-FIVE THOUSAND (\$75,000.) DOLLARS to acquire by purchase or take by eminent domain pursuant to Chapter 79 of the General Laws the property located at 98 Main Street, Norfolk MA, adjoining the Town Hall, and further described in Certificate No. 61409, recorded in Book 308, Page 9 of the Norfolk Registry District of the Land Court, or take any other action relative thereto.

ARTICLE 2

To see if the Town will vote to transfer the sum of \$2500.00 for Water Department Salaries from Water Receipts.

ARTICLE 3

To see if the Town will vote to transfer the sum of \$3000.00 for Purchase of Water from Water Receipts.

ARTICLE 4

To see if the Town will vote to transfer the sum \$3000.00 to the Reserve Fund from Water Receipts.

Hereof, fail not, but make due return of this warrant, with your doings thereon to the Town Clerk, on or before the hour of said meeting.

Given under our hands and the seal of the Town this

Samuel J. Johnston, Constable
Diane C. Powers, Chairman
James A. Martin, III, Clerk
Alan A. Mackey
NORFOLK BOARD OF SELECTMEN

WARRANT
ANNUAL TOWN MEETING
TUESDAY, MAY 5, 1981
THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

To: either Constable in the Town of Norfolk, in said County,

GREETINGS:

You are required in the name of the Commonwealth of Massachusetts to notify and warn the inhabitants of Norfolk qualified to vote in Town affairs to assemble in the Norfolk Public School, McBride Auditorium, on Tuesday, the 5th day of May, A.D. 1981 at 7:00 o'clock in the A.M., then and there to act on the following articles:

ARTICLE NO. 1

To choose by ballot the following officers; viz: One Moderator, for one year; one Town Clerk, for three years; one Selectman, for three years; two members of the Board of Health, one for three years and one for an unexpired one year term; two members of the Norfolk School Committee, for three years; one member of the King Philip School Committee, for three years; two members of the Planning Board, for three years; one member of the Water Commissioners, for three years; one member of the Board of Assessors, for three years; one member of the Housing Authority, for five years; three Trustees of Public Library, one for three years, one for an unexpired two year term and one for an unexpired one year term; one member of the Recreation Commission, for three years.

ARTICLE NO. 2

To see if the Town will vote to authorize the Board of Selectmen to advertise in a local paper and to sell at public sale from time to time, as it may deem in the best interest of the Town, any and all lands or portions thereof which the Town has acquired or may acquire as Tax Title Land, so called, such sales to be made in the name and in behalf of the inhabitants of the Town of Norfolk and to authorize the Selectmen to expend from the proceeds of such sale the necessary costs of recording fees, documentary stamps, and Auctioneer's fees, if required.

Submitted by: Board of Selectmen

ARTICLE NO. 3

To see if the Town will vote to grant the Board of Selectmen permission to sell surplus property of the Town exclusive of buildings and land that is no longer needed or take any other action in relation thereto.

Submitted by: Board of Selectmen

ARTICLE NO. 4

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Submitted by: Town Treasurer

ARTICLE NO. 5

To see if the Town will vote to amend the Zoning By-law as follows:

- 1.) Section C(1) (b) - Delete words "Section 2" and insert in place thereof "Section 3".
- 2.) Sections C(1) (c) and C(1) (d) - Delete in entirety.
- 3.) Section D(1) (a) - Delete words "Section H5" and insert in place thereof "Section G5".
- 4.) Section D(2) (h) (2.0) - Delete word "overlayed" and insert in place thereof "overlain".
- 5.) Section D(2) (h) (2.10) - Insert the numeral "5" after the word "section".
- 6.) Section E(1) (a) - Insert after the word "enlarged" the following words: "on any lot".
- 7.) Section E(2) (a) - Delete the words "Section 5A and 7A" and insert in place thereof "Section 6".
- 8.) Section E(2) - Reletter paragraphs d, e, f, g and h to b, c, d, e, and f, respectively.
- 9.) Section F(7) (b) (f) - Delete "Academys" and insert in place thereof "Academies".
- 10.) Section F(10) (a) (line 7) - Delete "conductive" and insert in place thereof "conductive".
- 11.) Section F(10) (c) (3) (line 8) - Delete "Manuel" and insert in place thereof "Manual".
- 12.) Section F(10) (c) (4) (line 1) - After the word "glare" insert the words "shall be permitted".
- 13.) Section G(4) (c) (line 2) - Delete the word "an" and insert in place thereof "and".
- 14.) Section G(8) - Delete the words "Chapter 40 Section 32" and insert in place thereof "Chapter 40A Section 5"

Submitted by: Zoning By-law Study Committee

ARTICLE NO. 6

To see if the Town will vote to amend the Zoning By-law as follows:

- 1.) Amend Section C(2) by inserting after paragraph (i) the following new paragraph to be letter "j":
"j. A lot which lies in more than one residential zone shall be required to meet the area and frontage requirements for the zone in which the greater fraction of its area lies."
- 2.) Amend Section D(2) (d) (22) by deleting the words "4 or more dogs" and inserting in place thereof the words "5 or more dogs".
- 3.) Amend Section G(1) line 7 by deleting the word "fifty" and inserting in place thereof the words "one hundred".
- 4.) Amend Section G(5) (b) (2) by inserting after paragraph f the following new paragraph g:
"g. A Special Permit shall be valid for twelve (12) months from the date on which it is granted. If construction or operations have not begun within six months from the granting of the permit, or if they are not carried forward expeditiously, the permit shall expire."

Submitted by: Zoning By-law Study Committee

ARTICLE NO. 7

To see if the Town will vote to amend the Zoning By-law and the Zoning Map by changing the following described property from Industrial to Residence (R-1):

A parcel of land off of Dean Street, Norfolk, MA, containing 9.3 acres and shown as Lot 74, Block 32, Plan 10 of the Norfolk Assessors' Maps. This parcel is more particularly described in a deed from Charles W. Murdock to Paul R. Knowles and Theresa M. Knowles dated May 28, 1980, recorded in Norfolk Registry of Deeds Book 5740, Page 360, and is shown on a plan of land entitled "Plan of Land in Norfolk, MA, Property of: Charles W. Murdock" dated July 19, 1977, by Schofield Brothers, Inc., Registered Land Surveyors, recorded with Norfolk Registry of Deeds as Plan No 801 of 1977 in Plan Book 263. A copy of said Plan is on file in the Town Clerk's Office.

or to take any other action relative thereto.

Submitted by: Petition

Bianchi, Inc., C.E., dated May 31, 1945, being the land described in Certificate of Title No. 33698, Book 169, Page 98, Norfolk Registry District of the Land Court, or to take any other action relative thereto.

Submitted by: Board of Selectmen

ARTICLE NO. 23

To see if the Town will vote to accept the following fees under Chapter 262, Section 34 of the General Laws as amended by Chapter 329 Section 73 of the Acts of 1980, as recommended by the Massachusetts City and Town Clerks, or take any other action in relation thereto.

Submitted by: Town Clerk

ARTICLE NO. 24

To see if the Town will vote to amend Article 1 Section 1 of the revised Town By-laws by deleting the words "Collector of Taxes" and inserting in place thereof the words "Town Collector" so that the new sentence will read: "The term of Office of the Town Collector will be three (3) years."

Submitted by: Board of Fire Engineers

ARTICLE NO. 25

To see if the Town will vote to amend Article II, Financial Affairs, of the Revised By-laws, by inserting at the end of said article the following new section to be numbered consecutively:

Section 3. Fees to be Charged for Use of Town Property and Other Town Service

- A.) Department Heads, including the Town Clerk, Police Chief, Fire Chief, Superintendent of Streets, Inspector of Buildings individually and with the Wire Inspector, Plumbing Inspector, the Board of Health, Recreation Commission, the Planning Board, the Board of Appeals, shall propose fees and charges for the use of Town property and services, provided pursuant to the procedure described herein.
- B.) The schedule of proposed charges and fees shall be prepared by the Department Head or Commission and submitted to the Board of Selectmen, who shall post the proposed schedule of fees and charges in the Town Hall and Public Library, and hold a hearing thereon not less than seven (7) days after said posting. The Selectmen shall, after hearing, establish the schedule of fees and charges for each Department or Commission, and shall file with the Town Clerk a copy of the fees and charges established by the Selectmen.
- C.) After a fee schedule, user fee, or other charge has been established, no service shall be performed, no permit or application approved, and no use of Town property covered by such schedule shall be permitted or granted until the established fee or charge has been paid to the Tax Collector and a receipt presented to the Department Head or Commission authorized to grant such permit, perform such service, or permit such property use.

Submitted by: Board of Selectmen

ARTICLE NO. 26

To see if the Town will vote to amend the By-laws by adding: Article II Section 4. A late filing fee of ten dollars (\$10.00) will be charged for the purchase of Dog Licenses after June 1.

Submitted by: Town Clerk

ARTICLE NO. 27

To see if the Town will vote to amend its general By-laws under Article III as follows:

- A. Section 4: By deleting the words, "Town Clerk" and substituting therefore the words, "last presiding Chairman."
- B. Section 8: By deleting the words, "Town Clerk" and substituting therefore the words, "Board or person making the appointment" and by deleting the words, "Elected or" so that the sentence will read:

It shall be the duty of the Board or person making the appointment to immediately notify in writing all members of Committees, including the Advisory Committee, that may be appointed, stating the name of the Committee and the business assigned to it.

Submitted by: Town Clerk

ARTICLE NO. 28

To see if the Town will vote to amend Article IV Section 4, by deleting the second sentence and inserting in place thereof the following sentence:

"The Town Clerk shall be the custodian of all deeds and conveyances of any interest in real estate including gifts of land or easements which have previously been recorded in the Registry of Deeds or the Land Court for Norfolk County by the Board or Department handling the matter."

or to take any other action in relation thereto.

Submitted by: Town Clerk

ARTICLE NO. 29

To see if the Town will vote to amend Article V Section 3 of the revised Town By-laws by deleting the section and substituting in place thereof the following:

"Section 3. The Board of Selectmen shall in May of each year cause to be printed the reports of the various Officers and Boards of the Town and reports upon such matters as are directed by the Town and by these By-laws."

or to take any other action relative thereto.

Submitted by: Board of Selectmen

ARTICLE NO. 30

To see if the Town will vote to accept the provisions of the Massachusetts General Laws, Chapter 40, Sections 42a to 42f, inclusive. This will establish a water rate lien upon real estate for non-payment of water bills.

Submitted by: Norfolk Board of Water Commissioners

ARTICLE NO. 31

To see if the Town will vote to accept all State and Federal Grants for the Water Department.

Submitted by: Norfolk Board of Water Commissioners

ARTICLE NO. 32

To see if the Town will vote to advise the Great and General Court not to appropriate for Fiscal Year 1982 more than it did for Fiscal Year 1981 for expenditures by the Commonwealth's Departments and Agencies. Further, that the savings of approximately \$350,000,000 from the above cuts be redistributed to the Cities and Towns in the form of increased local aid.

Submitted by: Board of Selectmen

ARTICLE NO. 33

To see if the Town will choose any Committee or to hear or act on the report of any Committee or Town Officer, or to instruct any Committee or Town Officer.

Submitted by: Board of Selectmen

ARTICLE NO. 35

To fix salaries of several elective offices of the Town and to determine whether any Town Board shall be authorized to employ for additional salary or compensation any of its members and to fix salary or compensation.

Submitted by: Advisory Committee

ARTICLE NO. 36

To see if the Town will vote to transfer a sum of money from the Water Department revenue to the Water Department Maintenance and Operating Expense.

Submitted by: Board of Water Commissioners

ARTICLE NO. 37

To see what sum of money the Town will raise and appropriate or transfer from available funds in the Treasury to conduct a hydrological geological survey by a qualified Engineer or Geologist to determine the ground-water flow pattern at the Sanitary Landfill as required by the Norfolk Board of Health and the Department of Environmental Quality Engineering or to take any other action relative thereto.

Submitted by: Board of Selectmen

ARTICLE NO. 38

To see if the Town will vote to authorize the Board of Selectmen to accept and enter into the contract for the expenditures of any funds allotted or to be allotted by the Commonwealth for the construction or reconstruction or the improvement of roads within the Town.

Submitted by: Highway Department

ARTICLE NO. 39

To see if the Town will vote to raise and appropriate or appropriate by transfer from available funds in the Treasury a sum of money for construction of and/or improvements to roads within the Town as requested by the Board of Selectmen.

Submitted by: Highway Department

ARTICLE NO. 40

To see if the Town will vote to raise and appropriate or appropriate by transfer from available funds in the Treasury a sum of money for construction of and/or improvements to roads within the Town as requested by the Board of Selectmen to be reimbursed by the Commonwealth under Chapter 570 of the Acts of 1980 or under any other Chapter.

Submitted by: Highway Department

ARTICLE NO. 41

To see if the Town will vote to raise and appropriate or appropriate by transfer from available funds in the Treasury a sum of money for construction of and/or improvements to roads within the Town as requested by the Board of Selectmen to be reimbursed by the Commonwealth under Chapter 329 of the Acts of 1980 or under any other Chapter.

Submitted by: Highway Department

ARTICLE NO. 42

To see what sum of money the Town will raise and appropriate or transfer from available funds in the Treasury to purchase a three yard front end loader for use at the Sanitary Landfill. Said funding will be in lieu of monies to fund the Special Projects Account in the Highway Budget or to take any other action relative thereto.

Submitted by: Highway Department

ARTICLE NO. 43

To see what sum of money the Town will raise and appropriate or transfer from available funds in the Treasury to repave Leland Road, Priscilla Avenue, Lakeshore Drive, and part of River Road or take any other action relative thereto.

Submitted by: Petition

ARTICLE NO. 44

To see if the Town will vote to appropriate or transfer all monies received by the Library in payment of fines or for lost or damaged books in Fiscal Year 1980 for the purpose of acquiring new books or repairing existing volumes, or to take any other action relative thereto.

Submitted by: Library Trustees

ARTICLE NO. 45

To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money to replace two (2) Police Cruisers, or to take any other action in relation thereto.

Submitted by: Police Department

ARTICLE NO. 46

To see what sum of money the Town will raise and appropriate or transfer from available funds in the Treasury to insulate the Town Hall or to take any other action relative thereto.

Submitted by: Board of Selectmen

ARTICLE NO. 47

To see what sum of money the Town will raise and appropriate or transfer from available funds in the Treasury to correct a drainage problem in the vicinity of 90 Grove Street, Norfolk, or to take any other action relative thereto.

Submitted by: Petition

ARTICLE NO. 48

To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money to purchase a diesel-powered, four-wheel drive tractor with power driven plow for the purpose of plowing snow from the sidewalks.

Submitted by: Charles Weeber

ARTICLE NO. 49

To see what sum of money the Town will raise and appropriate or transfer from available funds for the reconstruction or replacement of the roof on the old section of the King Philip Regional High School.

Submitted by: King Philip Regional School Committee

ARTICLE NO. 50

To see whether the Town under and pursuant to authority granted in General Laws, Chapter 40D Section 21 (g), as amended, will authorize the Board of Selectmen to enter into a contract with the owner or operator of solid waste disposal facilities to be established in the Town of Plainville for the disposal of refuse, garbage and waste and for the use of recovered energy and materials resulting from operation of such facilities, which contract will:

- (1) be for a term of twenty years or less;
- (2) include provisions for the delivery of minimum amounts of refuse, garbage and waste and payments for the use of the facilities to be based thereon;
- (3) provide for unit prices that will be graduated and for adjustments thereof and for the use of steam, electricity and recovered materials resulting from the use of the facilities and for credits or payments to the Town resulting therefrom;
- (4) allow the use by the Town or other municipalities or private parties of the uncommitted capacity of such facilities;
- (5) contain other provisions incidental and related to the foregoing general matters; and
- (6) be generally in the form of a proposed contract negotiated by representatives of the member communities of the 128 West Resource Recovery Council with such changes therein as may be negotiated by said Council and approved by said Board of Selectmen.

A copy of the form of proposed contract is on file in the Office of the Town Clerk.

Submitted by: Board of Selectmen

ARTICLE 51

To see if the Town will vote to transfer the unexpended portions of certain appropriations made at prior Town Meetings to unappropriated available funds in the Treasury, or take any other action in relation thereto.

Submitted by: Town Accountant

ARTICLE NO. 52

To see what sum of money the Town will raise and appropriate for the payment of unpaid bills of previous years.

Submitted by Town Accountant

ARTICLE NO. 53

To see if the Town will vote to raise and appropriate or appropriate by transfer from unappropriated available funds in the Treasury, a sum of money to be added to the Stabilization Fund under the authority of Section 5B of Chapter 40, General Laws, or take any other action in relation thereto.

Submitted by: Advisory Board

ARTICLE NO. 54

To see if the Town will vote to transfer a sum of money from Surplus Revenue to decrease the tax rate.

Submitted by: Advisory Board

The polls will be open at 7:00 A.M. and will be closed at 8:00 P.M. Hereof fail not but make due return of this warrant with your doings thereon to the Town Clerk on or before the hour of said meeting.

Given under our hands and seal of the Town this 11th day of March, 1981, A.D.

TOWN OF NORFOLK - BOARD OF SELECTMEN

Kevin E. Lowers
James E. Martin III
Alan Mack

A true copy, attest:

Samuel J. Johnston, Constable

Town of Norfolk

Norfolk, ss.

By virtue of this Warrant I have notified and warned the legal voters of the Town of Norfolk aforesaid to meet at the time and place and for the purposes specified in said Warrant by posting true and attested copies thereof in one or more public places not less than fourteen days at least before the date of said meeting, and by causing a true and attested copy thereof to be published once, not less than fourteen days before the said meeting in a newspaper having a general circulation in said Town of Norfolk.

Constable, Town of Norfolk

Dated at Norfolk, Massachusetts, this _____ day of _____, 1981.

INFORMATION

Ed Mann's canning Factory was built in 1870 on the site now occupied by Gilmore's Grain Store, now Norfolk Hardware, next to the Wayside Building. The structure burned in 1910. The canning factor label reproduced above was used in the 1880's.

ZONING

Zoning By-laws call for different lot size in different sections of Town varying from 30,000 to 55,000 square feet. Other important sections of "Zoning By-laws" are as follows:

1. Minimum frontage required for the 30,000 foot lot is 150 feet, 200 feet frontage on the 43,560 square foot lot, and 200 feet on the 55,000 square foot lot.
2. Set back of a building in a residential area shall be at least 50 feet from the street, right of way county taking. No building may be closer than 25 feet from the side lines of a lot.
3. Only one family dwellings are permitted unless a variance is granted by the Board of Appeals.

Be sure to get a copy of the "Zoning By-laws" and the "Building Laws" before you start any construction or excavation.

Sewage construction applications are to be approved by a registered sanitary engineer, and the Board of Health before Building Permits can be issued.

Building, Wiring and Plumbing permits are required prior to any construction. Applications for permits are available at the Board of Health/Inspector's Office in the Town Hall.

For Reinspection	\$ 5.00

(one fee for gas hot water heater)

TOWN MEETING PROCEDURE

Priority shall be given to Registered Voters of the Town for admission to all Town Meetings, whether annual or special meetings.

1. Prior to admission to the Hall, persons desiring admittance shall check in with the Registry of Voters who shall be present at the main entrance with Voter Registration Lists.
2. Town officials and voters who desire to have a non-voter present to speak on any article of which he may have special knowledge or expertise, should request the Moderator in writing at least seven days prior to the meeting that the non-voter be allowed to be present and briefly state the subject matter and articles to which the non-voter desires to address the meeting. If the Moderator allows the non-voter to be present,

3. he shall so inform the Registrar of Voters.
3. The Registrar of Voters shall admit to the meeting all duly registered voters of the Town and all persons who the Moderator has informed them to admit.
4. Five minutes prior to the time the meeting is scheduled to begin, if there are sufficient seats for the registered voters present, plus an adequate reserve for later arriving voters, the Registrar may admit non-voters. Admitted non-voters shall not mingle with registered voters, and shall be seated in an area distinguishable from the remainder of the meeting and so that the Tellers and Moderator can easily determine those who have a right to vote and those who do not.
5. Non-voters admitted to a Town Meeting shall not address the Meeting without the permission of the Moderator and shall make no remarks or comments during debate or participate in voting.

The Moderator retains the right to have any voter or non-voter removed from the Meeting, in accordance with the provisions of Massachusetts General Laws.

At the annual business meeting each article in the warrant shall be taken up in the order in which it appears on the warrant, unless otherwise voted by the meeting.

After any action, except to postpone to a certain time, has been taken on the subject matter of any article in the warrant, such article shall be deemed to be closed and no further action thereon, except after the adoption of a motion to reconsider, shall be taken.

TOWN MEETING PROCEDURE

The Moderator is charged with control of the Town Meeting.

The General Laws Chapter 39, Section 15: The Moderator shall preside and regulate the proceedings, decide all questions of order, and make public declaration of all votes. The Moderator recognizes speakers from the floor, and while they are speaking allows no interruptions except when a point of order is raised.

When a voter wished to speak he may rise, say, "Mr. Moderator," and wait for recognition. Then, standing, he should give his name. The voter may continue with due regard to reasonable brevity, as long as he speaks directly to the question under discussion.

MOTIONS

MAIN motions are usually on article in the Town Warrant, they are made, seconded, then open for discussion. Long, technical motions should be submitted in writing.

SECONDARY motions are motions which refer to

main motions. The Meeting is usually limited to the discussion of 2 secondary motions at one time. Secondary motions usually amend, postpone, or limit discussion.

Amendments may be offered by any voter to the motion under discussion, provided the scope of the original motion is not enlarged or altered. Amendments are seconded and discussed; they require a majority vote to carry (pass). Proponents must submit amendments in writing.

POSTPONE

1. To refer to committee: "Commit" If changes in a main motion are numerous, take much time, or require additional information, it is wise to commit the article to a committee. This secondary motion should specify which board or committee. If proposing a new committee, specify how many members, how appointments are to be made and when the committee should report.
2. "Postpone indefinitely" is a debatable motion and requires a majority vote. The intent is to defeat the motion.

LIMIT DISCUSSION

1. "Limit Debate": This secondary motion requests vote to be taken at a specified time. Requires $\frac{2}{3}$ majority vote.
2. "Move the Previous Question" demands an immediate vote on any motion under consideration. May not be debated or amended. Requires $\frac{2}{3}$ vote to carry.

TOWN MEETING PROCEDURE POINTS OF ORDER

If a voter questions the legality of the proceedings, he may rise, interrupt the speaker and say, "Mr. Moderator, I rise to a point of order." The Moderator will ask "what is your point of order?" and an immediate ruling will be made following voter response.

VOTES ON MAIN MOTIONS

1. Usually majority of those attending carries.
Exceptions:
 - $\frac{2}{3}$ majority vote required borrowing of money; appropriations for land purchase; land purchase for public domain; sale or abandonment of unneeded land; abandonment of projects for which money has been borrowed; appropriation for celebration of settlement or incorporation; zoning by-laws.
 - $\frac{4}{5}$ usually requires payment of a bill for which insufficient appropriations made in previous year.

TERMINOLOGY WHICH YOU SHOULD KNOW FOR TOWN MEETING

CHERRY SHEET

This is a cherry red form which shows all of the State and County charges and reimbursements to the town as certified by the State director of accounts.

CHAPTER 70 FUNDS

Monies collected by the State and reimbursed to the towns for offsetting education expenses.

CHAPTER 766 FUNDS

State monies reimbursed to the towns for education of pupils with "special needs".

CHAPTER 90

This is a statute law of the Commonwealth of Massachusetts and pertains to the construction and maintenance of through roads, leading from one town to another. The State contributes 50%, and the County 25% of the cost.

OVERLAY

The Overlay is the amount raised by the assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted and avoiding fractions. Any balance in the Overlay account of a given year in excess of the amount of taxes for such year not collected or abated is transferred to Overlay Reserve.

OVERLAY RESERVE

This is the accumulated amount of the Overlay for various years not used or required to be held in the specific Overlay account for a given year and may be used by vote of the Town for extraordinary or unforeseen purposes.

RESERVE FUND

This fund may be established by the voters at an ANNUAL TOWN MEETING only and may be composed of (a) an appropriation (not exceeding 5% of the tax levy of the preceding year), (b) money transferred from Overlay Reserve, or (c) of both.

Any unexpired balance thereof at the end of the year is closed out to the surplus revenue (E & D) except however that from such balance there shall first be deducted and credited back to Overlay Reserve, to the extent possible, a sum equal to the amount if any which was appropriated from it to the Reserve Fund.

Transfers from the Reserve Fund are within the exclusive control of the Finance Committee.

SURPLUS REVENUE

(Generally referred to as Excess and Deficiency, though that phrase nowhere appears in the statutes.) This fund represents the amount by which Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves. This amount of the Excess and Deficiency account over and above uncollected taxes of prior years constitutes "Free Cash" or "Available Funds".
