

**Board of Selectmen
Meeting Minutes
September 11, 2018**

Present: Jim Lehan, Kevin Kalkut, Jack Hathaway (TA)

Others: Wrentham BOS, Plainville BOS, Kevin Sweet (Wrentham TA), Jennifer Thompson (Plainville TA), King Philip Superintendent - Paul Zinni

Jim Lehan called the meeting to order at 7:07 pm

Jim Lehan welcomed people to the meeting and stated the meeting was to introduce the new King Philip Superintendent, Paul Zinni and to talk about the budget process for FY20.

Jerry McGovern from Wrentham BOS gave a background of last year's budget process and hoped that this year would be similar.

Paul Zinni said he would like to assist with the process.

Joe Botaish, BOS Board member from Wrentham, mentioned the process had been broken before last year because of a lack of trust.

Jerry McGovern stated that he would like to see the town's move to a different funding mechanism for King Philip, one that would base assessments on student population and not include the Minimum Local Contribution calculation from the State. Jim noted that Norfolk had looked at that in the past and that would be difficult to transition to because of the impact on the Plainville assessment.

At 8:20 Kevin Kalkut motioned to Adjourn, Jim seconded. Motion passed.

Meeting adjourned at 8:20 PM.

Respectfully submitted,

Jack Hathaway, Town Administrator

Kevin Kalkut, Clerk
