

**Special Meeting of Norfolk Historical Commission
June 29, 2015**

The meeting was called to order at 7 pm by Betsy Pyne. Members present included Marcia Johnston, Gail Sullivan, Barbara Bartholomew, and Geri Tasker

One item: Demolition Delay of 70 Fruit Street , property owned by Walter Conte
781-727-5497

A motion was made not to delay the demolition of 70 Fruit Street because the property is not listed on the town historical survey and its demolition would not have a negative impact on the neighborhood. The motion was seconded, and passed.

Betsy P will notify the building inspector, Bob Bullock, that the demolition of 70 Fruit Street can proceed.

Demolition Procedure: There was discussion regarding the procedure for determining whether or not a building can be demolished or have a demo delay imposed. Betsy will contact Medfield Historical Commission, and Barbara will contact the Walpole and Wrentham Historical Commissions to see what their procedures are relating to demo delay.

Book Project: NHC is working on a new edition of Norfolk Revisited; this version will have a new name to be determined. Barbara has purchased memory sticks for this project and is working on an outline. We discussed including the era from North Wrentham to the present day and use the biography of Bertha Fales.

A Motion to adjourn at 7:30 was made, seconded and passed.

Respectfully Submitted,

Geraldine A. Tasker
Recording Secretary
