

Town Administrator Review Committee Minutes

Executive session

2/28/19

The Committee discussed how many candidates to interview. They would decide how many candidates should be interviewed based on the new resumes. They would also discuss any candidates from the previous sessions that they wanted to re-interview or pass along to the BOS.

It was mentioned the Committee believed the internal employee did not need to be re-interviewed but should be considered to move on to the BOS interviews, particularly in that they had made him the Interim Town Administrator.

Chuck mentioned that he thought the previous candidate from Worcester should be reconsidered. Several members said that based on Mr Kalkut's desires for experience, she did not meet that criteria.

Committee reviewed the resumes and decided to interview 6 candidates

Committee voted to exit executive session

A handwritten signature in cursive script that reads "Susan Kelly".
